

BUCKLEY'S NEW MIXTURE LEAVES GOOD TASTE IN YOUR MOUTH!

Ballinafad's Gloria Buckley's new mixture of Chrysler Jeep products picked up here last week was a refreshing experience for our whole organization. What a thrill it was to share an emotional event with such a deserving family.

Occasionally dealership personnel lose focus as to how big a deal it is to acquire a new car or truck. Despite winning all of the awards and accolades Chrysler can give, we will continue to learn, grow and strive for excellence in everything we do. Although we can't afford to supply everyone with the wine, sandwiches and stinky fish the Buckleys received, we will endeavor to make every transaction a memorable event.

Since success is a journey not a destination we are committed through change in philosophies, personnel and product to offer continuous improvement in delighting our customers.

Sincerely,

GEORGETOWN CHRYSLER JEEP (1993) LTD.
