

Smokey situation

An electrical problem in a 1986 Toyota parked in this Ontario St. garage caused a \$25,000 fire. About 14 firefighters were called to the scene Tuesday at 1:05

p.m. when a neighbor noticed smoke coming out of the garage. Firefighters remained on the scene until 2:20 p.m.

Area residents to discuss 'Quality of Life'

An open meeting to discuss the State of the Environment and Quality of Life in Halton will be held Wednesday, March 27 at the Halton Hills Cultural Centre.

The meeting, which will be held from 7 to 10 p.m., will present a snapshot of the physical, social and economic environments in Halton. The health status of Halton residents will be presented.

Community members are invited to provide input into the recommendations to improve the social, economic and environmental health of the community.

Mayor Marilyn Serjeantson will

chair the meeting and staff from the Halton Collaborative Planning Group (Halton Region, Halton District Health Council and Halton Social Planning Council) will be on hand to collect community input.

The community input will be incorporated into the recommendations in the first State of the Environment Report. The report should be useful to local community groups, local and regional governments and various planning councils in setting local priorities and planning community programs and activities that will enhance the overall health of the community.

Anyone interested in getting involved in the planning process to create a healthier community and improve the quality of life in Halton Hills and Halton should attend this meeting.

Those who cannot attend and would like to submit comments on creating a healthier community should call Maria Antonakos, project coordinator at Halton Region at 878-8113 or 853-0501 ext. 7358. Written submissions can be sent to the Regional Municipality of Halton, Health Department, "Quality of Life Initiative", 1151 Bronte Rd., Oakville, Ontario L6M 3L1. Deadline for submissions is Tuesday April 12.
