INTRODUCING THE NEW GUARANTEE SALE PROGRAMME

New!

If you decide to list your home with me you can decide to take advantage of my new optional home sale guarantee.

Here is how it works:

1. List your home with me for 65 days after receiving my market evaluation.
2. If your home is not sold on the 66th day your home will be appraised by a certified local Georgetown/Acton appraiser of your choice.
3. Once the appraisal is done I will present you with an offer for the appraised value (minus commission) for you to review and take to the Lawyer of your choice for 5 days.
4. Once you and your lawyer have reviewed and accepted the offer ... get ready to move.
5. The price and closing date will not be determined until an appraisal has been done.

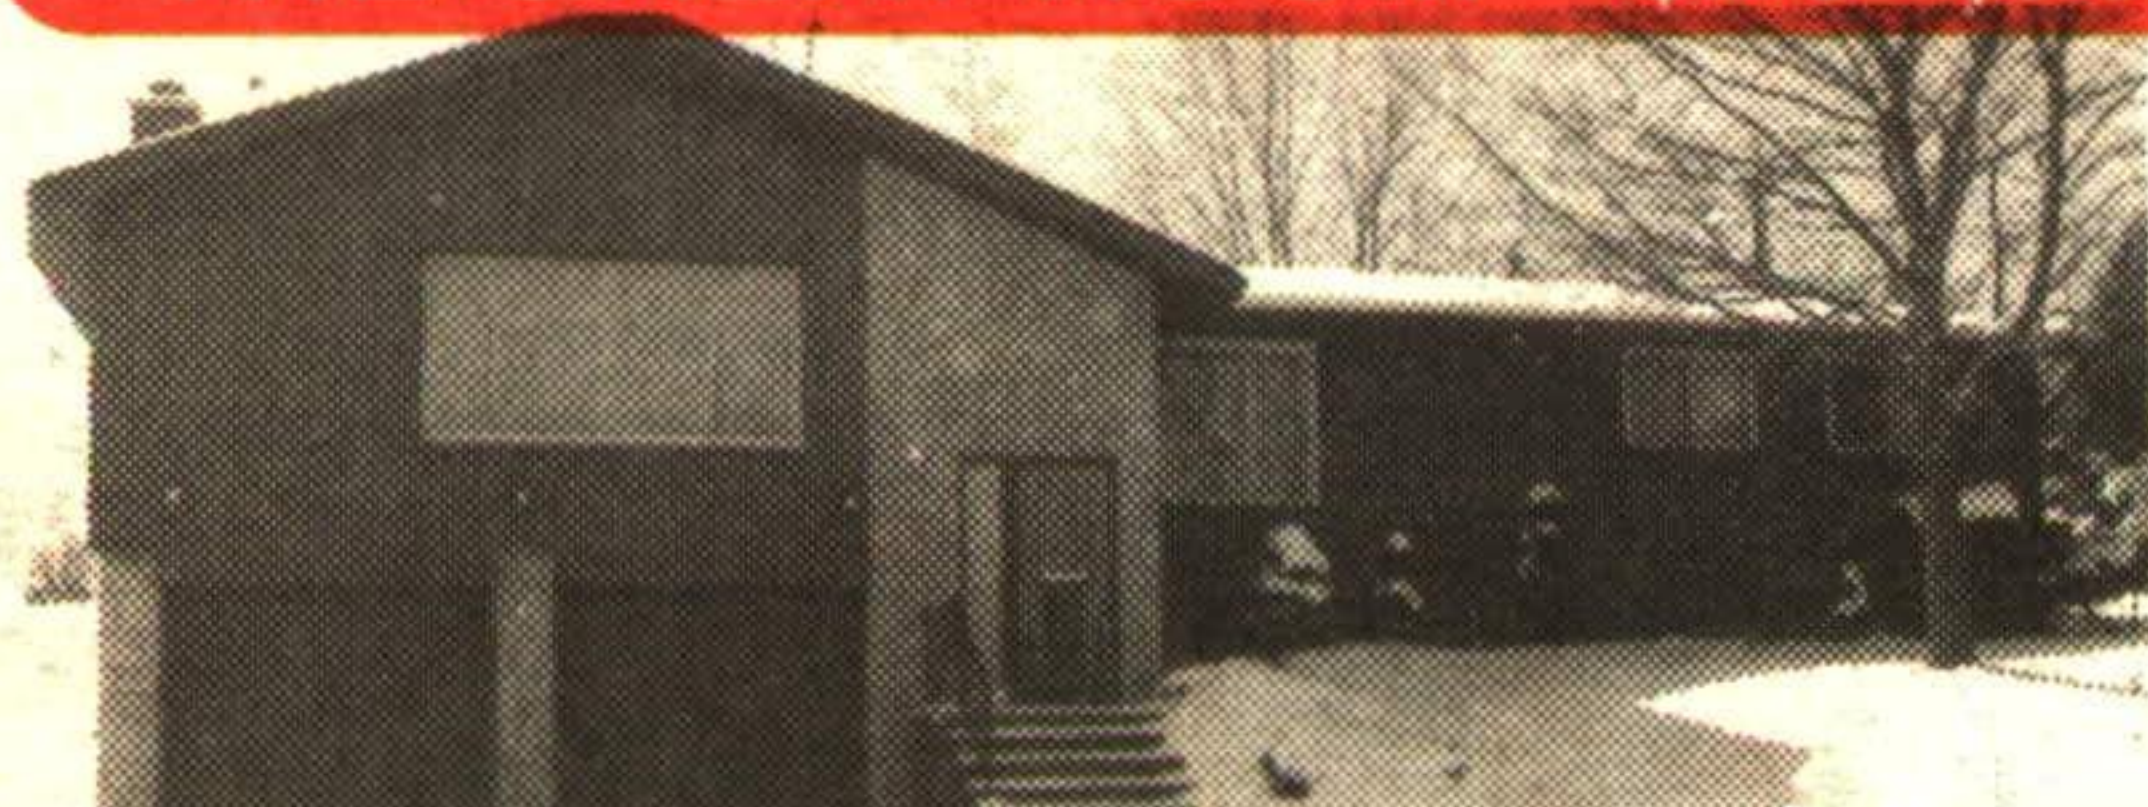

I am so confident in my abilities as this area's leading marketing specialist that I am able to put together this comprehensive guarantee package. This package is exclusive to Bill McKeown at Re/Max Suburban (91) Inc. and is only offered on Georgetown, Acton and surrounding area properties and to a maximum value of \$225,000.

Call Bill for more details.

All enquiries strictly confidential!

Not intended to solicit properties already listed for sale. ReMax Suburban '91 Inc. does not guarantee the sale of your house
