# Search for suspect

By Sgt. ROD CLIFFE  
Crime Stoppers of Halton

A man is sought after an assault at the Halton Hills Animal Control building last month, and Crime Stoppers is seeking information that could identify the culprit.

Shortly before 6 p.m., February 22, a man walked into the shelter on Fifth Line in Limehouse. He brushed past the attendant and entered an area restricted to employees only, claiming to be looking for cats.

When told he must leave, the suspect shoved the staff member against a fridge before getting into his truck and driving off.

The victim required treatment for a broken

shoulder and shattered collar bone.

The description of the wanted person provided to police was male, white, 25 to 30 years of age, dark brown hair, 5'6" tall and approximately 140 pounds. He drove a maroon GMC pickup truck.

If the description is similar to someone you know, contact Crime Stoppers with his name. If you have any information that leads to an arrest in this or any other case, you may be eligible for a cash reward of up to \$1,000. You need not give your name and your information can be taken with complete anonymity. Crime Stoppers does not subscribe to Call Display. Please call 1-800-668-5151 or 825-TIPS (825-8477).

**Tire theft**

## WHEN EXERCISE IS NOT ENOUGH!

Body sculpting by liposuction is literally a dream come true. Localized accumulations of fat, which may be inherited and sometimes impossible to eliminate by exercise or dieting, can now be removed permanently by liposuction, never to plague you again.

The concept of liposuction is surprisingly simple. It is a technique that improves the body's contour by removing excess fat from fatty deposits located between the muscle and the skin. Fat cells that are removed by liposuction never grow back.

In men, the most commonly treated areas include the love handles, abdomen, breasts, chin and neck.

In women, the most frequently treated areas are the abdomen, hips, knees, calves, chin and neck.

Plastic Surgeon: DR. B. SHORE B.Sc., M.D., C.M., F.R.C.S.(C)

Please contact the Brampton Cosmetic Surgery Clinic for an appointment. Your consultation includes video presentation, literature and assessment. We also do face lifts, nose contouring, eyelid correction, brow or forehead lift and breast surgery.
