Supports Trustee Gardiner

Dear editor:

I am writing in response to the article in the Weekend, April 28, concerning the conflict in the board.

I just want to comment regarding Ethel Gardiner's alleged conflict of interest vote. I know Ethel to be an honest, caring person who cares more about people than politics. I have watched Ethel in her dealings with children when she was a Special Education teacher at Robert Little School and Centennial Middle School. She has my admiration and respect

because she was always fair and she really cared about each individual student who was in her class.

I know Ethel Gardiner's first priority when it comes to education, is children.

These trustees made a blanket statement accusing Ethel Gardiner and other trustees of conflict of interest. I am sure if they knew Ethel as those of us who worked with Ethel know here, they would revoke their accusations.
