

Zellers employees support CF research

Join the fun at Country Fest for CF

By **CARIE GEMMEL**
Special to The Independent/Free Press

Over the past 10 years Zellers employees along with their families, friends and business associates have been organizing a national walkathon called "Moonwalk."

Every Zellers store in Canada (over 300 stores in total) supports our Moonwalkers' goal to walk a total distance of 240,000 miles, the distance from the earth to the moon.

Moonwalk, hosted by Zellers Store 67 Georgetown and Store 146 Centennial Mall, Brampton will take place this year on Saturday, May 25 starting at the Chris Gibson Recreation Centre on McLaughlin Rd., Brampton. Registration is at 8:45 a.m. with the walk starting at 9 a.m.

Then following the walk, the second Annual Country Fest for Cystic Fibrosis will be held starting at 10 a.m. at the centre.

Confirmed to date, throughout the day, will be a demonstration by the Peel Regional Police Tug-O-War team, Safety Village (kiddie cars), craft show, kiddie korral, classic motorcycles and cars, dunk tank, silent auction, as well as the purple dinosaur and his little green friend. The Lion King and Zeddy will make guest appearances.

There is no charge for admission and everyone is welcome.

As well there are still vendor tables available so call me at 873-0265 or 877-5131 to book a table.

We would like to invite everyone in the community to join in their local Zellers store walkathon and Country Fest. Pledge sheets may be obtained at the Customer Service desk at your local Zellers store. Incentive prizes are available to all walkers with over \$75 in pledges plus the chance to win one of ten Sony cordless telephones. For more information contact Zellers Georgetown or Centennial Mall in Brampton.

All proceeds raised for these events are donated to the Canadian Cystic Fibrosis Foundation. Cystic Fibrosis is a genetically transmitted incurable disease which effects the lungs and the digestive system of one out of every 2,500 Canadian children. Cystic Fibrosis takes the lives of more Canadian children than any other inherited disease.

Since our first "Moonwalk" took place in 1985, Zellers employees and other participants have raised over \$9.1 million for Cystic Fibrosis research. We are proud of our efforts!

Join your local Zellers store on Saturday, May 25, don't miss out.
