

**OKAY ENOUGH  
ABOUT THE RAKES  
FORGET THE RAKES!**

Although I am not particularly fond of promotional type gimmicks, the rake deal was fun & very cost effective (cheap). We gave away over 200 rakes & sold 93 cars & trucks. This volume rivals much larger metro Toronto stores. Thank you Halton Hills. Chrysler Canada has taken note and jumped on the band wagon as well. Last month I ordered over 200 more new vehicles, mostly Minivans. Our new Sales Manager carefully selected the Option Packages which represent the best for your money. Not only today but down the road well.

This is significant because it help you own our product today you with every transaction.

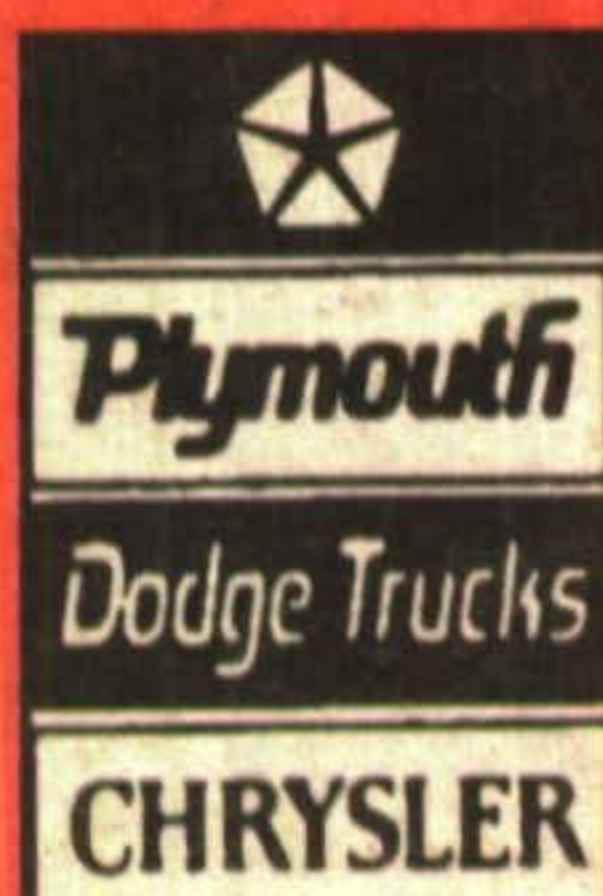

**PANIC UPDATE!!**

The Sales Manager just stumbled into my office and said that the lot is full; and so is his backyard and driveway at home . . .

**S00000.....Get in here & steal a deal. I've got tractor trailers full of Chryslers coming down the pike. (Hmm might be a song there).**

Anyway if you want to know the average selling price of a particular model, look through the Star or Sun. If you're local and you want a better deal, visit us.

See you Soon
