

Soccer seniors kick off

By ALEX TOUGH
Soccer Corner

In town we have begun the season with the senior female and male leagues.

Inter-County teams played Wednesday and Friday to commence the season. Meteor defeated Eagles on a single penalty kick goal at Meadowglen in the first division play. An Eagles player punched the ball away from the goal line and became the first ejection of the session. Blazers scored an equalizing goal against Forest in the dying minutes of their clash at Alcott. United made an easy beginning with a 4-1 result over Ajax in second division play. Also in second division, Acton Villa held on to a two-goal lead over newly established second team, Rangers, to the close. Milton narrowly defeated the home team, Stingers, 1-

0 to open their account. Other results are Mersey 4-3 over Lions; Britannia 6-0 over P.R.P.A. and Harps 4-2 over S.M. Thistle (formerly Winchester).

Georgetown has a competitive team this season...the young ladies team of Mustangs, coached by Eddie We, a former Mariner. The team held its collective head high despite 0-1 and 0-2 results at Oakville and Mississauga in right royal battles. Shades of old here, methinks.

The under-14 Mustangs worked hard throughout and are a quick thinking and moving outfit indeed. The opening home league game appears to be at Cedarvale on Thursday, June 6 with Dixie as visitors. London, Oakville, Saltfleet and North Mississauga are the other opposition. The team is committed to tournaments in Bolton, North Mississauga and Kitchener.

NEW DENTURES

Consider the importance of your denture; your smile, facial support, speech and ability to chew properly are all affected by the fit and design of your dental appliance.

Many patients who have found difficulty with retention or comfortably wearing dentures in the past have now found the benefits of new materials and technology.

Cast metals bases, implants, magnets, Myloc retention systems and soft liner inserts are providing excellent results for many who's past experience was poor. Also, implants dentures are available.

Your dentures and tissues should be checked annually. Damage to the oral tissues can take place without your being aware of it. Early detection and elimination of tissue inflammation is important to minimize shrinking of the supporting bones. Remember, ill-fitting dentures could lead to many other health problems.

You do not need a referral; simply call our office direct.

WE CARE ABOUT YOUR SMILE!
