

Vipers win half a game

The Georgetown Vipers under-14 football squad continues to look for their first win in the Brampton Tackle Football League, but this week they managed to win a half for the first time.

The 0-5 Vipers dropped a 30-14 to the Brampton Stallions, despite outscoring their opposition 8-6 in the second half.

NEW EYES NEW OUTLOOK

The eyelids are frequently the first to show signs of aging resulting in a tired, sad appearance.

First, there may be excess skin in both the upper and lower eyelids. The second problem is the accumulation of fat which causes "baggy" eyelids. This is frequently present in both the upper and lower eyelids.

With the latest techniques, eyelid surgery can remove the excess skin and fat pads, resulting in a rested, youthful appearance.

The results are longer lasting than ever.

FIND OUT HOW YOU CAN IMPROVE NOT ONLY HOW YOU LOOK, BUT HOW YOU FEEL.

Meteors rally for win over Blazers

By ALEX TOUGH

Soccer Corner

Last Monday evening, the stormy one, all soccer was cancelled due to the weather. CRSC United were leading Bolton 1-0 when the game was eventually abandoned by the referee.

In the Inter County mens league Mariners opened their account with a 3-0 win over Buzzards and followed with a 1-1 tie with Milton. The latter game goals were produced on penalty shot efforts by both teams. Mariners struck the woodwork five times and had one attempt cleared off the goal line.

Meteor scored a late winner in a comeback

win over Blazers by 3-2, at one point Blazers held a two goal lead. Eagles trounced Meadowvale 3-0 at Alcott.

Earlier Forest, also in a come from behind game, tied Lions 2-2. 2-2 was the favourite result of the night as Caledon and Britannia made the score as did Merseyside and PRPA. Ajax defeated Rangers (the new team from Acton) 3-0, Villa tied SMT 1-1 and Harps dropped a 1-4 result to SHL.

USA defeated visiting Scotland 2-1 in Connecticut last Sunday and deservedly so. This display does not augur well for the Scots run in Euro 96, commencing on June 9.

WHERE THE "SERVICE" IS THE DIFFERENCE

Welcome to the 1996 GBA Season. Georgetown House League and Eagles baseball has started. The Eagles teams have been playing since the first week of May and the House League started May 27, 1996. After some concerns over low registration early in the year, we are happy to have about 660 players for this season. In the House League there are 40 teams, and we are fortunate to have the use of last year's diamonds as well as the new Georgetown South diamonds. Debbie James has completed an exceptional job of scheduling all the divisions, both House League and Eagles. With recent last minute changes, our final schedules are now in the hands of the coaches and players. Feel free to contact your Convenor if you have any questions about your child's Division.

GBA NOTES

The GBA has been meeting monthly since last fall planning the 1996 baseball season. Early in the spring of 1996 the Coaches Clinic and the Umpire Level 1 Clinic was held at Cedarvale, with the Umpire Level 2 Clinic being held at the Halton Hills Public Library. A special thank you goes out to Donna Blight for organizing these three clinics. We now have an impressive group of coaches, and properly trained umpires to officiate at the games. Your umpires will be wearing a blue shirt and COBA crest with grey or dark pants. At present there are approximately 40 Level 1 Umpires, 14 Level 2 Umpires and about 3 Level 3 Umpires. Each coach, parent and player should treat these umpires with respect, and encourage their efforts. They are doing a tough job, and are doing it very well. If you have any concerns with the officiating, please contact the Umpire Coordinator for that Division.

ALL-STAR

Each player registered in the House League has an opportunity to try out for an All-Star team. All-Star teams play on evenings when the regular team players are available, and there are no conflicts with regularly scheduled games. There should be some tournaments for the All-Star teams and information on try out times and tournaments are available from the All-Star Team Coaches. The Director of All-Star Teams is Wayne Harrison and he will be happy to answer your questions as well.
