Ballinafad news

By BETTY SOJKA

Incredible! Amazing! What talent! These were just some of the comments made by the many who attended the Ballinafad Youth Group's Variety Night on May 31. The entertainment began at 7:30 p.m. at the filled Ballinafad United Church.

Erica Mitchell, as emcee, introduced each of the 15 acts, and stated which area church they were from. Singing came in the form of solos and various groups.

A particularly memorable performance came from the Stone Bell Choir of Eramosa. To see those choir members coordinate the bell ringing into beautiful melodies was astounding.

It was the eight-member Ballinafad Youth Group who totally organized this spectacular evening. This was quite an undertaking. Seeing and hearing these same young people sing or play an instrument as well, told of the wonderful talent right here in our midst. Special thanks and appreciation goes out to these youth members for bringing this evening to the community.

Norval News

LOIS ROONEY-GIURIN

Evening of Worship

Rev. Glen Soderholm of Campbellville delighted a small but enthusiastic group on May 26 at Norval Presbyterian Church's Monthly Worship and Music Service. A combination of well known contemporary music and songs composed by Glen made for a very smooth and appealing program.

Plant sale success

Another successful Shrub and Bake Sale was held at Union Presbyterian Church on June 1. Approximately 140 shrubs, from roses to lilacs to juniper bushes were auctioned. The annual and perennial tables were also very active, and many plants were sold within 15 minutes of the sale opening.

The Board of Managers and the WA of the Union Presbyterian Church extend their thanks to all who contributed their labor, plants and baking. A special thanks to Sheridan Nurseries for their continuing support in supplying the shrubs.

Church barbecue

This year's 30th annual Norval United Church barbecue was a wonderful success due to the effort of the whole congregation who helped in many ways, from baking pies and salad to cooking the chicken which was purchased from Maple Lodge Farms in Norval.

The addition of Iva Davidson and her ensemble who have entertained for most the 30 years, completed the presentation. Thanks to Lois Reid, Fred Paul, Walter Thorndyke and especially to David and Sherry Dunlop.

Lawn sale - part 2

After another successful Saturday, the leftovers were packed up. Some items were donated to Wastewise in Georgetown, but many items were donated to the Halton Women's Shelter. Many thanks to all who helped to make the sale a success.

CHANGES AND ADJUSTMENTS

It may be necessary, from time to time, to have changes or adjustments made to your hearing aids or molds.

Your hearing can change slightly. You can gain or lose weight; develop circulation problems; develop an allergy... the list is long.

Hearing Instrument Practitioners will want to see you on a regular basis to ensure you are receiving maximum benefit from your aids. No problem is "too small" to have checked. Your hearing is too precious not to receive the best possible attention.
