PROJECT 96-4810

WARD 2 - TOWN OF CALEDON

INFORMATION FOR RESIDENTS

PROJECT Information

PROJECT DESCRIPTION

The Region of Peel will be rehabilitating the Terra Cotta Bridge, including complete deck replacement and removing and replacing the Leslie Bridge as shown on the attached plan. The work is required to maintain structure integrity at the Terra Cotta Bridge; the present condition of the existing Leslie Bridge warrants complete replacement.

SCHEDULE

A full road closure is required in order to facilitate construction. Road closure at the Terra Cotta Bridge is scheduled to commence on June 24, 1996, through to August 31, 1996. Construction on the Leslie Bridge is tentatively scheduled for the first part of July, 1996, and is expected to be completed within six weeks. Final restoration is expected to be completed by September, 1996.

CONTACT PERSONS

The works at the Terra Cotta Bridge will be performed by Engineered Concrete Ltd., under contract to the Region of Peel. To date, the contractor for the proposed works at the Leslie Bridge has yet to be determined. A list of contact persons and phone numbers is listed below:

TRAFFIC INTERRUPTIONS

To accommodate the road closure the following detour route will be implemented (below):

**PROPOSED
DETOUR
ROUTE**

- *Mayfield Rd.
- *Mississauga Rd.
- *King St.

PROVISIONS FOR ACCESS

During construction, driveway access in close proximity to the work zone may be temporarily blocked. Where there is no alternative but to shut off access temporarily to a property, the contractor shall first notify the persons affected and shall work to keep the period of inconvenience to a minimum.

PROJECT UPDATES

The Region of Peel is committed to keeping you informed and to ensure that the works are carried out with minimum disruption to your homes and businesses. If there are any substantial changes in the project scope or schedule, you will be provided with project updates. We also encourage you to notify the appropriate contact person to advise them of any problems or particular needs. We thank you in advance for your cooperation.

G.T. Dolan, P. Eng.
Maintenance Engineer
Operations Division
