Back to basics Under 10 soccer

As the season progresses, the under-10 girls soccer players are learning the skills of the game, such as accurate passing to a teammate, and long throw-ins down the line. But they are also picking up some bad habits, like deliberate pushing and elbowing of opponents.

The game of the week emphasized skills as Millieres TV and Andrew Murray Motors played an exciting game with no score until Charlene Roche of Millieres kicked a hard one from 20 yards out. Playing well for the Andrew Murray Motors were Leah Crane on defence and forwards Jaclyn Neil and Sharon Rowan as forwards. The orange team featured Jennifer Norman passing well with Michelle Hofing playing well on defence and Stephanie Young doing the same at forward.

Another close game with a determining score in the last few minutes saw Municipal Trust playing well against Recochem. Sportsmanship was shown as the Municipal team started with five

players to match Recochem, who had some of their players arriving a little later. Recochem was up to strength by the end of the first quarter and all played with seven players each. Municipal Trust's Jennifer Varey got her first goal for Municipal Trust while Sharilyn Kogan scored for Recochem. Municipal Trust kept the pressure for the winning goal, but Recochem's defence played a strong game and had a little luck as one Municipal Trust shot rang off the goal post. Billi Jo Fleet scored the winner to give Recochem the victory. Playing well for Recochem were Jody Stapleton, Fleet and Kogan. For Municipal Trust Varey and Susanne Leferink played well.

In yet another excellent game, Burger King and Armstrong Insurance battled to the end. Burger King displayed excellent defence from Michelle Smyth, Melissa Maveal, and Jennifer Kilmer. Chrissy Periera, who had Armstrong's opening goal, scored twice in the final quarter to lead her

team to the win. Periera scored her three goals with the help of teammates Laura Casey, Jill Redman and Jodie Armstrong.

Elk's Lodge played Wendy's Winners in a game that featured plenty of passing and only one penalty. Playing well for Elk's were Katie McIlveen, Tara Rafferty and Shaylyn Rypstra. Rafferty scored two goals, with McIlveen and Rypstra claiming singles. Noteworthy players for Wendy's were Samantha Arnold, Jasmine Landau and Krystal Dutkowski. Rick Bertrand reffed this game with Melissa Hill wearing the black in Acton and the Guignard sisters officiating at Emmerson.

Consider Retreaded Tires

HERE'S WHY....

ECONOMIC BENEFITS

Thanks to new technology, retreaded tires offer safe and dependable performance at a far lower cost than new tires.

ECOLOGY

While it takes about 7 gallons of crude oil to manufacture one new passenger tire, a retreaded tire requires only about 2.5 gallons. So, whether you're interested in economy or the ecology, retreaded tires offer you a proven practical method of reducing your tire expenses.

PLUS YOU GET:

- FREE INSTALLATION AND BALANCE
- FREE ROAD HAZARD WARRANTY
- FREE TIRE DISPOSAL
- NO TIRE TAX
