### The Alzheimer Support Program

At Acton Social Services and Information Centre (ASSIC) we co-ordinate the Alzheimer's Support Program for the Acton area. Our volunteers provide support to those having Alzheimer's Disease and their caregivers by providing information and lending a listening ear to those in need. They also put Alzheimer's patients and caregivers in touch with one another.

Co-sponsored by Alzheimer's Society of Halton-Wentworth and Halton Regional Police, an ASSIC volunteer assists with registering clients. Information about family or others to contact, appearance and behaviour characteristics of the person with Alzheimer's Disease is registered on computer with Halton Regional Police. The information is available

to officers throughout the region to assist wandering patients and their caregivers.

This ASSIC program, like most, is free of charge. Those wishing to join the Support Program or Wandering Patient Registry can call ASSIC at 853-3310 or drop in to our office at 19 Willow St., N., Acton.

## Acton Horticultural Society Awards

The "Posy Patrol" made their rounds of Acton Garden Contest entries and the following are winners in the categories as listed below:

### RURAL VEGETABLE/LAWN

1st Place - Mr. & Mrs. Harold Melen - R.R.#2

The Melens once again have a beautiful and bountiful vegetable garden surrounded by well-kept lawns and colourful flower beds.

### RURAL FLOWER/LAWN

1st Placed - Mr. & Mrs. J. Veerman - R.R.#2

The grounds around the Veerman home are beautifully landscaped, with the flower beds and rockery full of perennials and shrubs - see what can be done in only two years with a lot of hard work!

2nd Place - José & David Tillett - Churchill Road North

3rd Place - Mr. & Mrs. Daniel Varanelli - R.R.#4

### URBAN FLOWER/LAWN

1st Place - Ed & Doddie McGilloy - 37 Victoria St.

What a lovely spot - the variety of perennials and annuals, the overall colour and peaceful surroundings certainly were very impressive - obviously a labour of love.

2nd Place - Vic & Joan Morris - 113 Elizabeth Dr.

3rd Place - Fred & Pat Hodkin - 253 Kingham Rd.

### URBAN GARDEN/VEGETABLE/LAWN

1st Place - Mr. & Mrs. Vic Johnston - Cameron St.

Lovely lawns sweeping down to the lake, well-kept flower beds... and that vegetable garden! The sun must have been shining there.

2nd Place - Kendra Kellas - 223 McDonald Blvd.

### COMMERCIAL FLOWER/LAWN

1st Place - The Big Scoop - Mill St. E.

This is certainly a bright spot on Mill Street with the many flower boxes and flower beds.

2nd Place - Jager Sheepskin Fashion - 113 Mill St. E.

3rd Place - Reliable Taxi

While touring about, we found it necessary to add two special categories this year, the first being a Child's Flower Garden in which Allison Crane on Storey Drive takes great care of her flower beds which she shows off proudly. Special recognition also had to be given to the Seniors Residence on Elizabeth Drive, a beautiful group effort. Everyone has a little plot or balcony and the variety and colour made our tour very enjoyable.

The voting was most difficult as all the entries were very special with their own charm and little surprises here and there. We also thank our members who formed the "Posy Patrol" and ran around in rain and shine, swatting mosquitoes - great exercise!

Prizes for the Garden Contest and the Special Categories will be given out at our first meeting of the season, which takes place on September 15 at 7:30 p.m. at the Knox Presbyterian Church in Acton.

### NEW BREAKTHROUGH FOR LOWER DENTURES

Does your lower denture move from side to side? Do you have difficulty in speaking? Or, in eating even the softest foods? Does your denture fly out of your mouth when you cough or sneeze? Do you have a flat lower ridge? If you answered YES to any of these questions, we could have the answer for you. Now, we can make those dentures fit firmly for virtually every lower denture wearer!

With the new **MYOLOC™ SYSTEM**. The product of over five years of extensive research, the Myoloc System consists of varying sizes of specially designed "Wings™". Once attached to your denture, these Wings give you the stability you've been hoping for. And, it's completely invisible in the mouth.

It can be installed on your existing denture in the same length of time as a single repair. With Myoloc, you won't experience any disruption of normal business or social activities.

Patients across the country are already wearing dentures with Myoloc Wings attached. They report greatly increased comfort when compared with dentures without the Myoloc system.

Myoloc has been designed to be affordable. In fact, the cost is about the same as a standard denture reline.
