Lucky escape

A Churchill Road resident may have been lucky to escape injury after a pellet gun was fired at her front window.

The woman was sitting in her front room at about 2 p.m. Wednesday, when she heard a loud crack from the window.

When she investigated, she found the window was broken and there was a small round hole in the glass.

She noticed a pair of youths across the street playing with a BB gun. Police were called and the youths -- both 12 years of age -- were spoken to by police. The pair

have agreed to pay for the damage, police said. **Smash-and-grab**

Halton Regional Police are continuing their investigation after someone used a metal chair to gain entry to a Georgetown gas bar Monday.

At about 2:25 a.m., the chair -- which had been sitting outside the gas bar's store -- was thrown through the front window of the shop.

Police say the culprit then removed "an unknown quantity" of cigarettes.

Despite an alarm sounding when the window was smashed, the culprit was able to flee the scene before police arrived.
