

For the third time in a week, someone was injured at the intersection of Highway 7 and Trafalgar Road, south following an automobile collision. In this case, one woman was taken to Georgetown Hospital with minor injuries after a two-car crash, last Thursday.

If you're planning to buy a new car or boat, install a pool or even renovate your home, the time has never been better to take out a personal loan at Municipal Trust. Between now and August 31, 1992, ask how you can receive up to 1/2% off our competitive rates on personal loans for six month to five year terms.

### Loans Approved in 90 Minutes or Less!

Have you ever been left for days waiting to see if your loan has been approved? At Municipal Trust, we'll give you an answer in 90 minutes or less!

For example, on a \$5,000 loan with a three year amortization and an annual rate of 10.50%, the monthly payments would be \$162.51 and the cost of the loan \$850.36. Rates shown above are subject to change and include the 1/2% discount. All loans and rates are subject to our credit approvals and regular credit terms. Offer ends August 31, 1992. Rate discount can't be used in conjunction with any other special promotion. Only new personal loans apply. Funds must be advanced within 7 days after approval. Ask at the branch for complete details.

### Alzheimer Support Program

At Acton Social Services and Information Centre (ASSIC) we co-ordinate the Alzheimer's Support Program for the Acton area. Our volunteers provide support to those having Alzheimer's Disease and their caregivers by providing information and lending a listening ear to those in need. They also put Alzheimer's patients and caregivers in touch with one another.

ASSIC also maintains the Wandering Patients Registry.

Co-sponsored by Alzheimer's Society of Halton-Wentworth and Halton Regional Police, an ASSIC volunteer assists with registering clients. Information about family or others to contact, appearance and behaviour characteristics of the person with Alzheimer's Disease is registered on computer with Halton Regional Police. The information is available to officers throughout the region to assist wandering patients and their caregivers.

This ASSIC program, like most, is free of charge. Those wishing to join the Support Program or Wandering Patient Registry can call ASSIC at 853-3310 or drop in to our office at 19 Willow St., N., Acton.
