## Green headed to final

Georgetown's Curtis Green and the Guelph Royals are off to the Inter-County Major Baseball League final.

Green, who earlier this summer

Curtis Green

made the national senior team, started at catcher and drove in three runs with three singles to power Guelph past the Toronto Maple Leafs 13-0 to win the best-of-seven semifinal series 4-3.

The Royals' championship berth is a major upset as the Maple Leafs finished atop the overall standings at 29-6, the second-best ever record in league history. The fifth-place Royals were 14-19.

Guelph will now face the second-place Stratford Hillers in the championship.

Later next month Green will be off to Troy State University in Alabama, where he will begin his third season.

## Jays stopper in town

Toronto Blue Jays stopper Tom Henke will be stopping by Georgetown on Friday.

The Jays relief ace will be at G/S Television in the Sinclair Plaza at noon to draw 23 winners of the store's Day at the Dome contest.

The winners will be taken to

Toronto by coach Sept. 14 for a day of activities, ending with the Jays-Cleveland Indians contest.

## Summer Games silver

Four Georgetown girls emerged from the Ontario Summer Games rugby competition with a silver medal on the weekend.

Jen Corriveau, 17, Jennifer Ryan, 19, Elskelijn Boks, 18, and Andrea McNeilly, 18, were members of the Toronto West women's rugby team that lost 15-5 to Toronto East in the gold-medal contest on Sunday.

The four, who all play for the North Halton women's team, were all starters for Toronto West as women's rugby made its debut at the Ontario Summer Games.

Toronto West opened with a 5-5 tie against Niagara, a game where McNeilly, a fullback, suffered a wrist injury and was sidelined for the remainder of the tournament. After defeating Ottawa 7-0, Toronto West took on Toronto East, with the two battling to a 5-5 tie before their championship meeting.

## Taras gets two-year deal

The B.C. Lions may have lost their seventh straight CFL contest last week, but Acton's Jamie Taras emerged as a winner.

The 26-year-old Taras inked a new two-year deal with the Lions. No financial details were available.

The Lions were 44-23 losers to the Calgary Stampeders last Thursday, dropping their record to 0-7 so far this season.

Taras is in his sixth season with the Lions, but only his second as an offensive lineman. When B.C. drafted Taras, who was an offensive lineman with the University of Western Ontario Mustangs, in the third round of the 1987 CFL draft, he was converted into a fullback.

Taras lined up in the backfield until the 1990 season, when the six-foot-three, 24-pounder was reverted back to the offensive line.

Taking full advantage of warm summertime temperatures, kids from all over Acton spent Friday at the wading pool in Prospect Park. Warm temperatures all weekend gave Halton Hills residents the taste of summer they had long been waiting for.

# Falcons place in League final

The Georgetown Falcons saw a lot of Chingacousy last weekend when they met twice, first in a league game at Alcott on Friday night then again on Saturday in the Peel Halton League cup Semi-Final. The two teams had met three times already this season in two pre-season games and one league game, all three games ending with a 1-0 result, two in favour of Chingy and one for Georgetown, so it was no surprise that only one goal would be scored at weekend and fortunately it was the Falcons who scored it during the Cup game ensuring them a place in the Peel Halton League cup Final for the first time since they joined that league.

Friday's League game was a lackluster affair with both defenses playing well enough to prevent any scoring and neither side playing any aggressive soccer as both defenses playing well enough to prevent any scoring and neither side playing any aggressive soccer as both teams had their minds on the more important game to be played on Saturday.

On Saturday the two teams met again in Brampton and once again it was the two defenses that dominated the play. The Falcons were the more aggressive in the first half as each side probed carefully without exposing themselves at the back. Both Falcons forwards Keith Spiller and Rick Fitzpatrick had

good chances in the early going and at the other end George Tzimas the Falcons goalkeeper was called upon to make a couple of outstanding saves. The Falcons got quite a scare when their central defender Dan Gallagher had to come off injured midway through the half but Ian McIver was more than up to the job of substituting for him.

The all important goal came early in the second half when Keith Spiller, who has been on something of a tear recently with 7 goals in five games, outraced a Chingy defender for a through ball and probably handled an awkward bouncing ball before pushing it wide of the advancing goalkeeper and watched it trickle across the goal line.

Probably the worst goal the Falcons have scored all season but certainly the most important, as the Falcons who lie in second place in league standings with 15 points have only a slim chance of catching the league leading Malton who have 21 points.

Following the goal the Chingacousy side played some desperate but inspiring soccer as they struggled bravely but in vain to notch the equalizer, but Tim Davis marshalled his defense of Tim Racinsky, Jay Anderson and substitute Ian McIver to equally inspiring play as they constantly blunted the Chingy attack. Even so there was a couple of uneasy moments when

the opposition broke through for a one on one against the Falcons keeper, but Tzimas was up to it as he displayed exceptional talent with two superb saves that left the Chingy player gasping in amazement.

The Falcons prevailed and will now meet Malton in the Final to be played in Brampton on Saturday, September 19, as they try to prevent Malton from scoring a League and Cup double.

# Darts: League set to open

By Alex Tough

Wednesday, September 9 and Monday, September 14 are likely to be the opening days of the winter season - already? Yes, it is getting close to the time.

Team registrations are over for the Halton (Monday night) League and there are 13 definite starters. George & Dragon and Legion lead with four teams each. There are two each from Time Out and Copper Kettle with having one.

O'Tooles, last years winners, are refurbishing and changing style of establishment, I understand. As usual there seems to have been a fair amount of team changes from "bar" to "bar". Monday, September 14 is opening night.

The executive committee meet on August 25 and there is a captain's meeting on September 8, at 8:00 p.m. at the George.

The Industrial league has a meeting with the Legion executive committee this week to determine a few questions on premises and play areas I understand.

I trust an amicable solution will be achieved. The season is due to open on September 9. As with the other league there are a few player/team changes and no doubt they will all become apparent as the start beckons.
