

# Blue's "steal" a win, overkill by Dodgers

## Blue Steal 13 Dinomite 8

Blue's steal their way for this win. Solid hitting by Judy Faulhaffer, Dianne Saunders and Ellen McGowan. Pitching perfection by Faulhaffer, with two strikeouts. Dinomite pitching by Niki Zmitja and Janice Murray. Suzanne O'Callahan and Suzanne Presswood. Each played great defensively. Superb plays at first by Donna Wilson and Martha Jack.

## Draught Dodgers 30 Diamonds in the Rust 0

Dodgers pass the plate 30 times in this more than overkill game. With a homer by Monica Matalerz, a triple from Mary McLaughlin and well-hit doubles by Anne Korzack (with two), McLaughlin (also with two), Sharon Cater, Tracy Gruter, Paula Raine and Joanne Richardson. Errorless defence kept Rust at bay. Rust bats for an attempt to score by Anna Barkhouse, and Karen Smith, who both went 2-for-3.

## Handwashed 21 Dirt Bags 17

Big bats for handwashed with homer by Lisa Switzer, who went 5-for-5 at the plate. Triples by Shannon Russell and Penny Cassista clearing loaded bases. Excellent fielding by Sue Martin, with a line-drive catch, and Paula Zilio, with two superb catches in the dark. Dirt bags remained consistent throughout the game with sneaky base stealing by Pat Morey and Gail Houghton. A grand slam by Lynda Chadwick. Solid hitting by Sandy Robinson and Lorie Sinneave.

## Diamonds in the Rust 11 Fowl Balls 9

Sparkling like Diamonds for the win. Rust catching by Joane Payton. Top pitching by Cathy Chricton and big bats by Sharon Sargent, Anna Barkhouse and Denise Robinson. Fowl balls only two runs down and couldn't come up with the win despite great hitting from Colleen Cadger, who had a homer. Diana Westwood also had

a homer. Doubles went to Holly Peterson and Paulette Froilet.

## Sizzler 9 Green with N.V. 5

Sizzling hitting by Kim Wilston and Cheryl Jackson scooping this four-run win. Solid defence by Karen Appleyard. A triple by Jeanine Lorusso, with doubles from Kim Wilton and Carolyn gingras. N.V.'s Sheila (Ma) Kirk made several dynamite catches. With diana Trip making several good plays, along with three runs-batted in. Mary Jones pitched well and drove in a run.

## In Living Color 7 Fowl Balls 4

In Living Color hits for the win. Crossing the plate for two points was Robin Maltby, with teammate Loreen Richardson going 2-for-2 with two RBIs. Fowl Balls had just enough players to get in the game, but couldn't bring in the win. A double by Patti Sunnucks, along with good defence by the team kept the score low.

## Blue Steal 12 Sharks 5

Blue Steal claims victory with this seven-run lead. Elaine Moreland belted out a three-run homer to help power the win. Doubles by Hermania Henderson, Ellen McGowan and Dianne Saunders. Sharks pitching excellence by Betty Fendley and Deb Davies. Welcome back Virginia Walker from an absence with an injured thumb.. good show at the pate and defensively at short and third.

## Old Grey Mares 18 Diamond in the Rust 4

Good Grey hitting by the whole team for the victory. A triple by Melanie Hewson, who finished with 3 RBIs and scored twice. Julie Cutting came in for three points and scoring twice were Carol Spiteri, Von Readman, Rose Harris and Denise Brownlee. Heather Cartwright and Jane Long drove in runs for Rust. Crossing the plate were Debbie Anderson, Mary Becker (twice) and Joanne Payton.

# Under 10 girls soccer

The under-10 girls soccer teams are playing with the setting sun as the summer evenings grow shorter.

There is general improvement in the players' skills as the season winds down to a few more outdoor games before the indoor season starts.

The green Andrew Murray Motors team won over the red Elks Lodge by a 2-1 score. Laura Shields kicked in both Motors goals and Tara Rafferty scored the lone Elks tally.

Playing well for the Motors were Angie Crane, Sharon Rowan and Sarah Wood. The entire Elks team played well.

Also playing in Acton were the royal blue Recochems and the gold Wendy's Winners, with this game ending in a 2-1 decision for Wendy's.

Heather Stephens never cut the corners and found the back of the net twice for Wendy's (she also scored once last week that went unreported).

The Recochem team came back strongly in the second half with B.J. Fleet netting the goal. But time ran out before they could come up with the tying goal. Krystal Dutkowski, Jamie Campbell and Regan boyle played well for Wendy's with good offensive action.

For Recochem, Rhonda Myers cleared the net well as the sweeper and Jody Stapleton and Amanda Burgan played well on defence and in goal. Thanks to Mr. Dutkowski who was the substitute coach.

Spectators were on the edge of their seats in the close first half of the game between aqua Armstrong Insurance and sky blue Municipal Trust as each team bounced shots off the post.

In the second half Chrissy Pereira put one in for Armstrong, but Bethan Elliott replied for Trust after a breakaway run down the field.

Rested from vacation, Janine Taylor scored twice and Teri Reynolds had the other to give Armstrong a 4-1 win.

Playing well for the Municipal team were Andrea Lootsma, with a great end-to-end run, Jackie Spittal, with some long throw ins, and Vanessa Taberer, who displayed good footwork in moving the ball forward. Noteworthy players for Armstrong included Laura Casey and goalscorers Reynolds and Taylor.

Meanwhile back at Emmerson Park, Burger King played Millieries TV in a tough game, with the TV crew claiming the 4-0 win.

Goal scorers were Danielle King, Charlene Roche, Alana Zelek and Ashleigh Dunlop, with her first goal of the year.

Playing well for the winners were King, Zelek, who passed the ball well, and Dunlop, who used several of those passes. Busy goalies for Burger King were Melissa Mavael, Katey Lee, Kira Lawrence and Katie Duff.

The Burger Kings were really heating up and will be hungry next time. Thanks to Bruce Kilmer and Steve Lee who subbed as referees.
