

It may be worthless as a cleaner, but we'll give you \$100* for your old vacuum.

Even when they're running fine, portable vacuums have their problems. Like bumping into every piece of furniture they can find. And hanging on around every corner. Then there's the stair climb event.

But the real problem is that the initial suction power is quickly lost as the bag fills. So after all the work you put into vacuuming, you still find dirt.

There must be a better way! A Beam central vacuuming system solves these problems and costs much less than you'd think. Often less than a portable!

And to prove it, we'll give you \$100 for your old machine when you buy your new Beam. So see Haltalarm today.

Crime Stoppers

The Halton Regional Police in Georgetown and Crime Stoppers of Halton are appealing to the public for information that will lead to the arrest of those persons responsible for vandalism to 6 different locations including the Halton Regional Police station.

Sometime between 6:00 p.m. August 12 and 11:00 a.m. August 13, 1992, culprits went on a painting spree with cans of spray paint in the Guelph St. and Armstrong Ave. area of Georgetown.

The suspects, who were barely able to spell and lacked the intelligence to formulate anything beyond primitive, obscene slogans and drawings used both red and purple spray paint to commit acts of willful damage to six buildings.

The following properties fell victim to graffiti of these simpletons. The Canada Post office at 112 Guelph St., 11 Division of the Halton Regional Police Service at 217 Guelph St., The TD Bank at 231 Guelph St., the Petro Canada building at 259 Guelph St., Clay at 96 Armstrong Ave., and Curwood Ltd. at 100 Armstrong Ave.

If you have any information that leads to an arrest in this, or any other case, you may be eligible for a cash reward of up to \$1,000. You need not give your name and your information will be treated with complete anonymity. Please call 1-800-668-5151 or 825-TIPS (825-8477).
