Hey kids!

Sign up for summer reading

The Halton Hills Public Libraries have planned a summer of fun!

Once again two reading clubs will be offered, one for independent readers and another for the younger set who are not yet able to read. Registration for these programs begins June 27 and is ongoing throughout the summer.

Readers of the Roundtable is the theme for the independent readers Reading Club. Participants are encouraged to read 12 books during the summer holiday months. Incentives will be given as the readers finish book four, eight and finally 12, having successfully completed the program.

Weekly Reading Club meetings, which are literature based, will be held on Tuesdays at the Acton Branch Library and on Thursdays at the Georgetown Branch Library at 2

p.m. starting July 9/11.

The Read-To-Me program is designed for those children who are not yet reading. Parents, siblings or other family members may read to the child participating in this program.

Upon registration, a "Teddy Bear's Picnic" Read-To-Me kit will be yours with lots of exciting reading related to activities of interest of your child. Guidelines are also included to assist you in choosing the 20 items you'll want to read together to finish the program. Be sure to come and see us for your special surprise when you're through!

Drop into either branch library for your copy of our Children's Summer Program brochure. Library hours are Tuesday, Wednesday and Thursday, 10:30 a.m. to 8:30 p.m., Friday and Saturday, 10:30 a.m. to 5 p.m.

HRCA offers Ways of the Woods camp

The Ways of the Woods summer day camp will be operated again by Halton Region Conservation Authority.

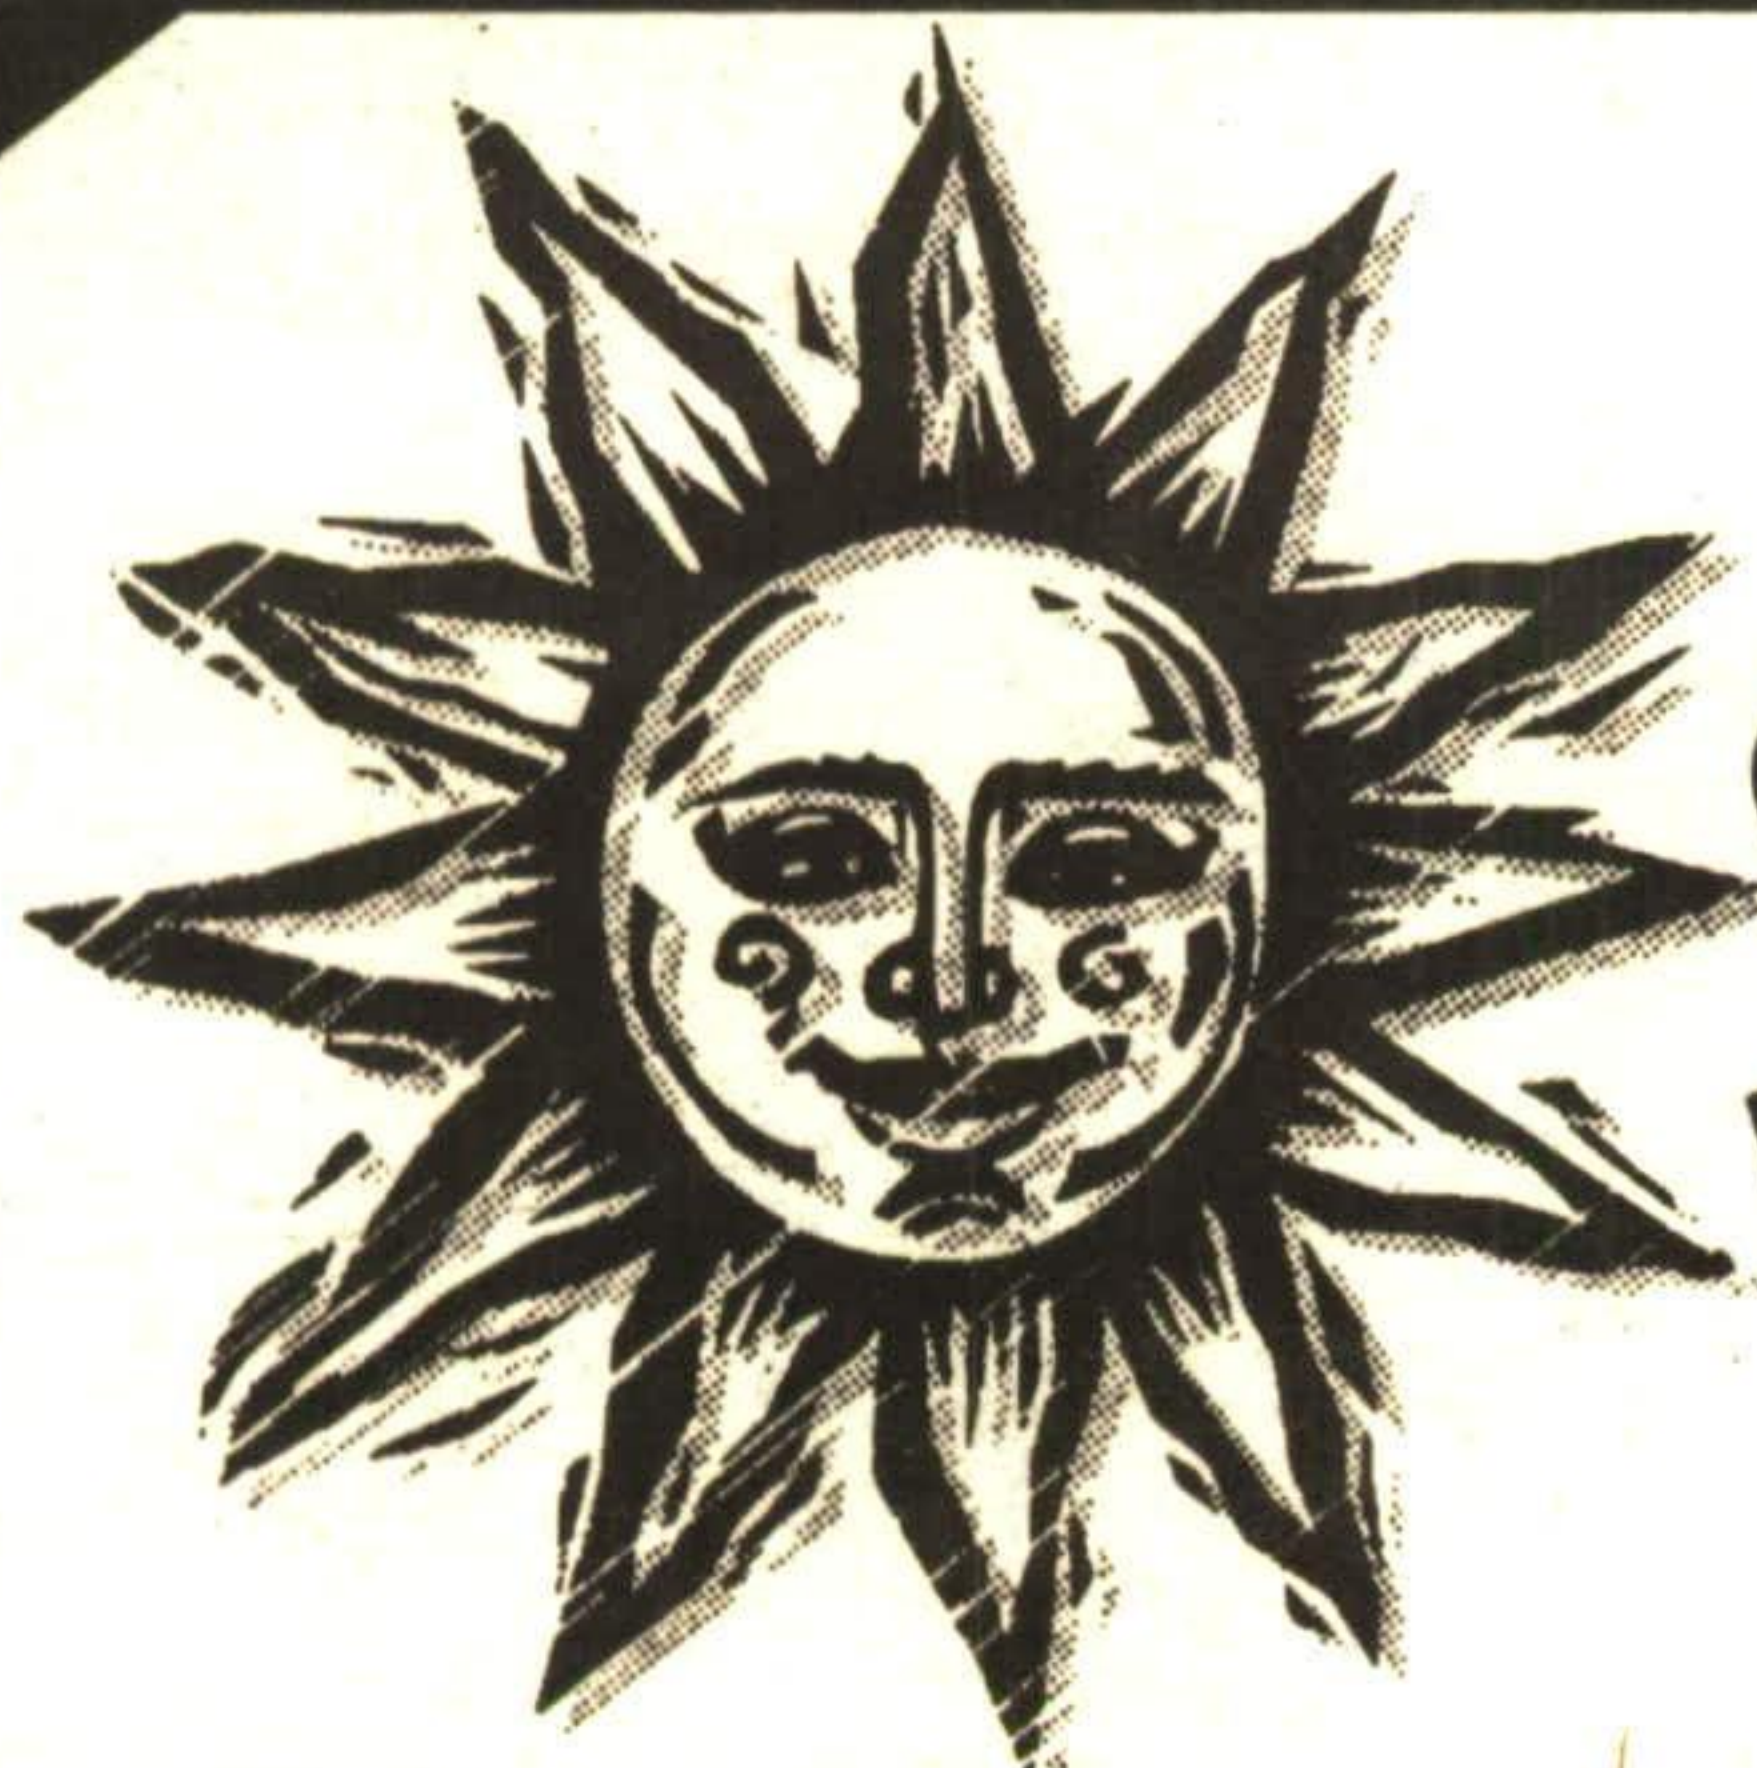

The Ways of the Woods day camp is available to the children 8 to 12-years-old. Four, two-week and eight, one-week sessions are held during July and August and bus transportation is included with the camp fee. All participants are picked up at designated Halton locations and are dropped off at pre-selected

conservation areas each day.

Children discover nature through a series of games and activities including pond explorations, insect hunts and bird hikes are only a few of these activities. Outdoor recreational skills are also included in the program with such activities as archery, canoeing, caving and orienteering.

Information booklets with registration forms are available at all Halton Hills libraries, conservation areas, or call HRCA at (905) 336-1158.
