### WHAT FINANCIAL ASSISTANCE IS AVAILABLE WHEN PURCHASING A HEARING AID?

The Ministry of Health's Assistive Devices Program (ADP) provides some assistance to both children and adults. For further information you may contact 1-800-268-6021 or ask your hearing Instrument Practitioner for the Assistive Device Pamphlet.

Medical plans through employers, Workers Compensation, Veterans Affairs Canada, and private Insurance Companies cover many Ontario residents for hearing aids. Your Hearing Instrument Practitioner will be pleased to assist you in determining what coverage you might have.

For further information, feel free to call . . .

### WHY SEE A DENTURIST?

Consider some other benefits of seeing a denturist.

\*As denture work is done at one location, quality of care is constant and personal...plus you get your dentures sooner.

\*The person who you see, is the same person who makes your denture, from start to finish.

\*That's all they do all day long. Dentures, dentures, dentures! New or replacement, relines, repairs, adjustments, cleanings, whatever your denture requirements.

\*Repairs can be done while you wait in most cases. Because we fix your dentures right here in our own lab.

\*In addition, if a house or hospital call is needed, special arrangements can be made.

You do not need a referral; simply call our office direct.

## Raising the flag on a re-opening

Nick Larter of Shoemaker Funeral Home, with the assistance of the Acton Legion Color Party, raised a Canadian flag outside the home at the June 9 open house. The funeral home unveiled its Sunderland Reception Centre. The room takes its name from the original name of the house, Sunderland Villa. The room will be used for post funeral receptions and as a community organization meeting facility. The room can accommodate 75 people.

## Let's All Take a Part in Water Conservation!

Halton Region is restricting lawn watering to odd/even days to help conserve our water...

Odd numbered addresses water on odd days  
Even numbered addresses water on even days.

This program is enforced by Halton's Planning & Public Works staff. However, the cooperation of all Halton citizens in this important water conservation effort is key.

Thank You.
