

ACTON FOR BUSINESS ACTON

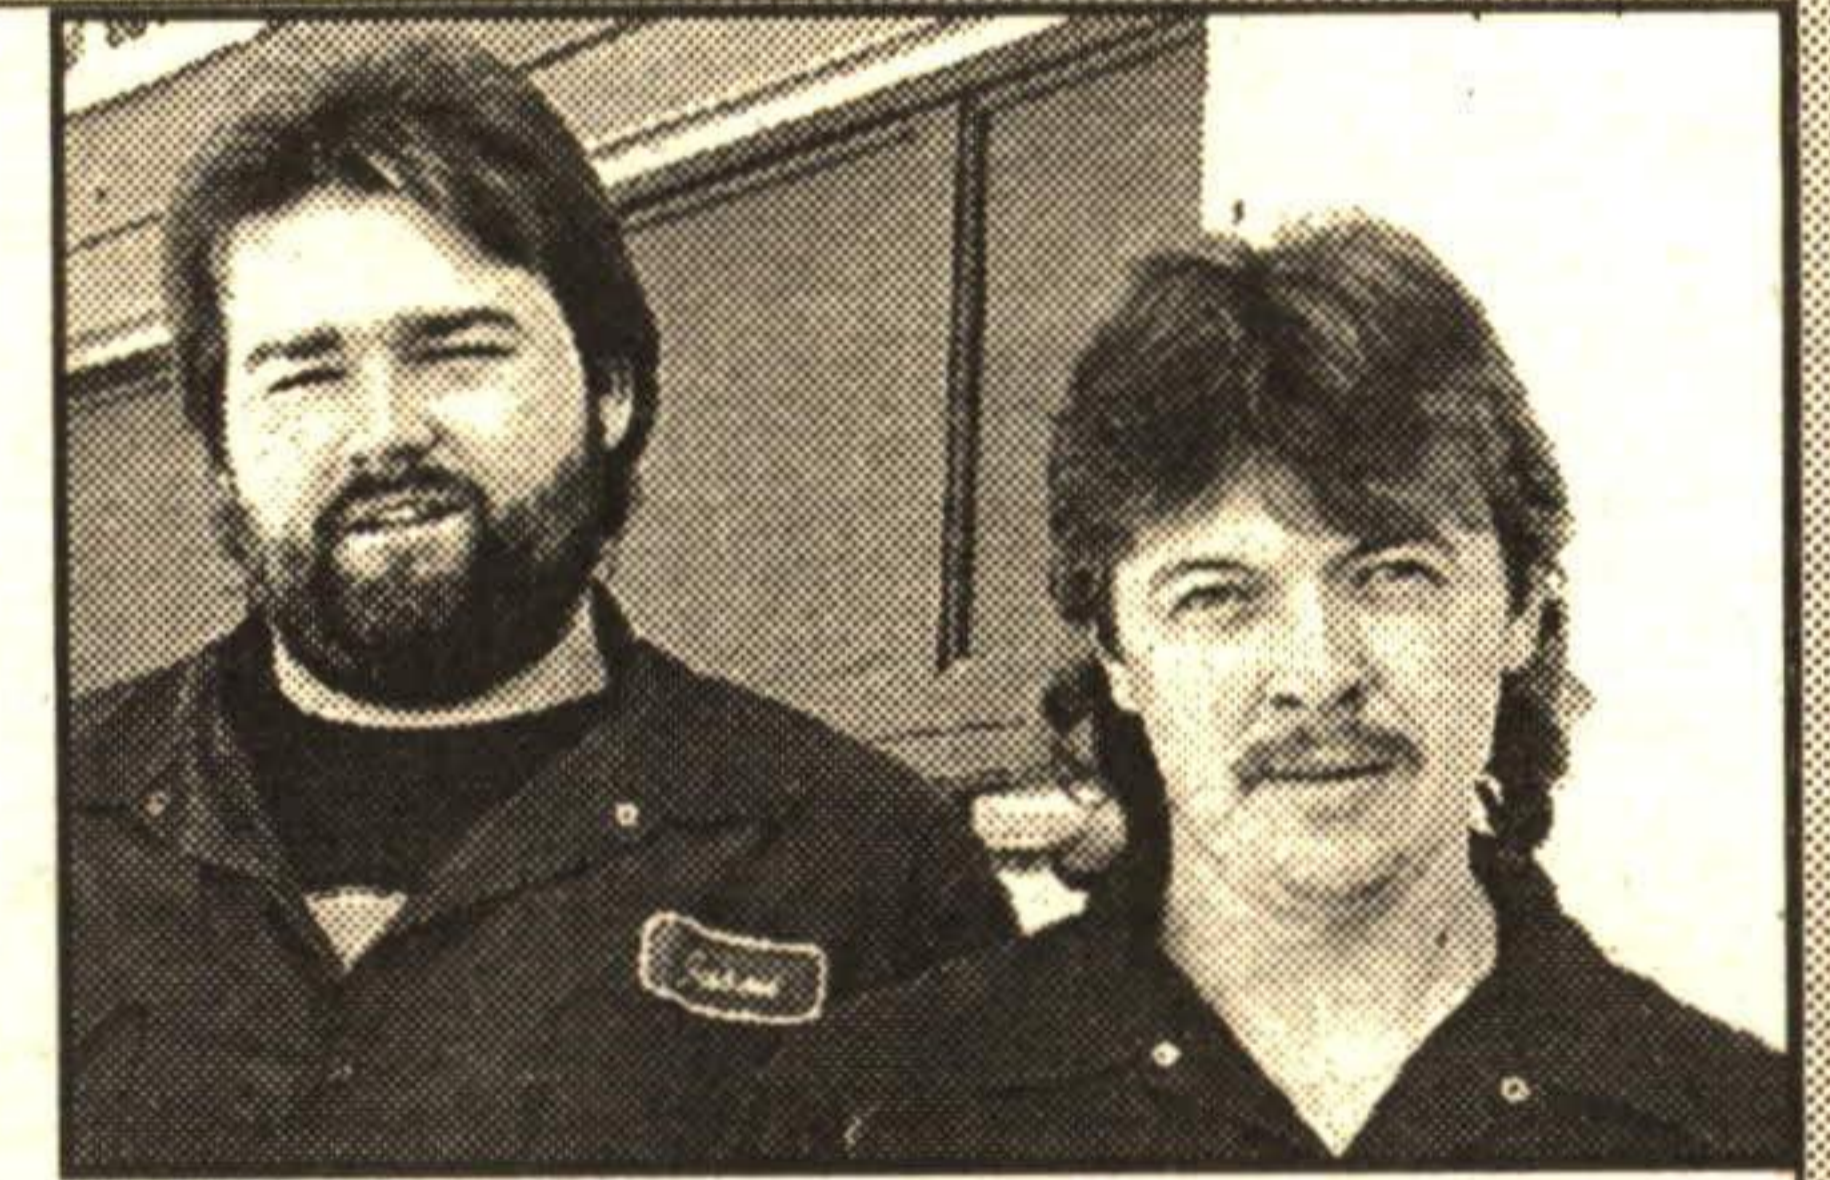

Yourway Muffler is tucked away on Agnes St. but has been in operation for three years. "There is really not much that we don't have to offer here. We don't just do exhaust systems," said Lee Keffer who co-owns the business with Jason Ash. Each

year they add new equipment and expand the services they offer. Most recently they have added a fuel injection service. They also offer new and used tires and do tire balancing. All their work is under a national warranty. "We offer more one-on-one service," Lee said. Jason and Lee are happy

to explain and show customers what needs to be done. They will also work within the budget of their customers; their shop rate is \$44/hr. They have an overnight drop box, but can also drop off or pick up customers locally. "If we know that a

customer needs their car in the morning, we've worked to midnight to get it ready," said Jason, a lifelong Acton resident. The shop is open Mondays, Wednesdays and Fridays, 8 a.m. to 6 p.m., Tuesdays and Thursdays, 8 a.m. to 7 p.m. and Saturdays 9 a.m. to 1 p.m. Call 853-0900.
