# Catholic students

## Five students selected

One student from each Halton Catholic School Board's elementary and secondary schools was selected to receive the Sharing the Spirit award.

Students, nominated by their principal, demonstrated outstanding qualities in Catholic leadership, family commitment, involvement in school affairs, community activities and commitment to a difficult situation or task.

What follows on this page and page 9 is a brief description of the five selected Halton Hills students.

### Jamie Casey

*St. Francis of Assisi*

JAMIE CASEY

Jamie Casey, a Grade 8 student, is always active in school dramatic presentations and is gifted in this way, said teacher Jeff Gillies.

Jamie is extremely hard working, very independent and constantly challenging himself to achieve excellence," he said. "With his fellow classmates, he is considerate, always helping and friendly to other students in school. He's an all round good-natured kid."

Jamie is also very close to his family and involved in community activities. He has been involved in Beavers and Scouts, and plays soccer, softball and swimming.

### Andrienne Lambert

*École Sacré-Coeur*

A. LAMBERT

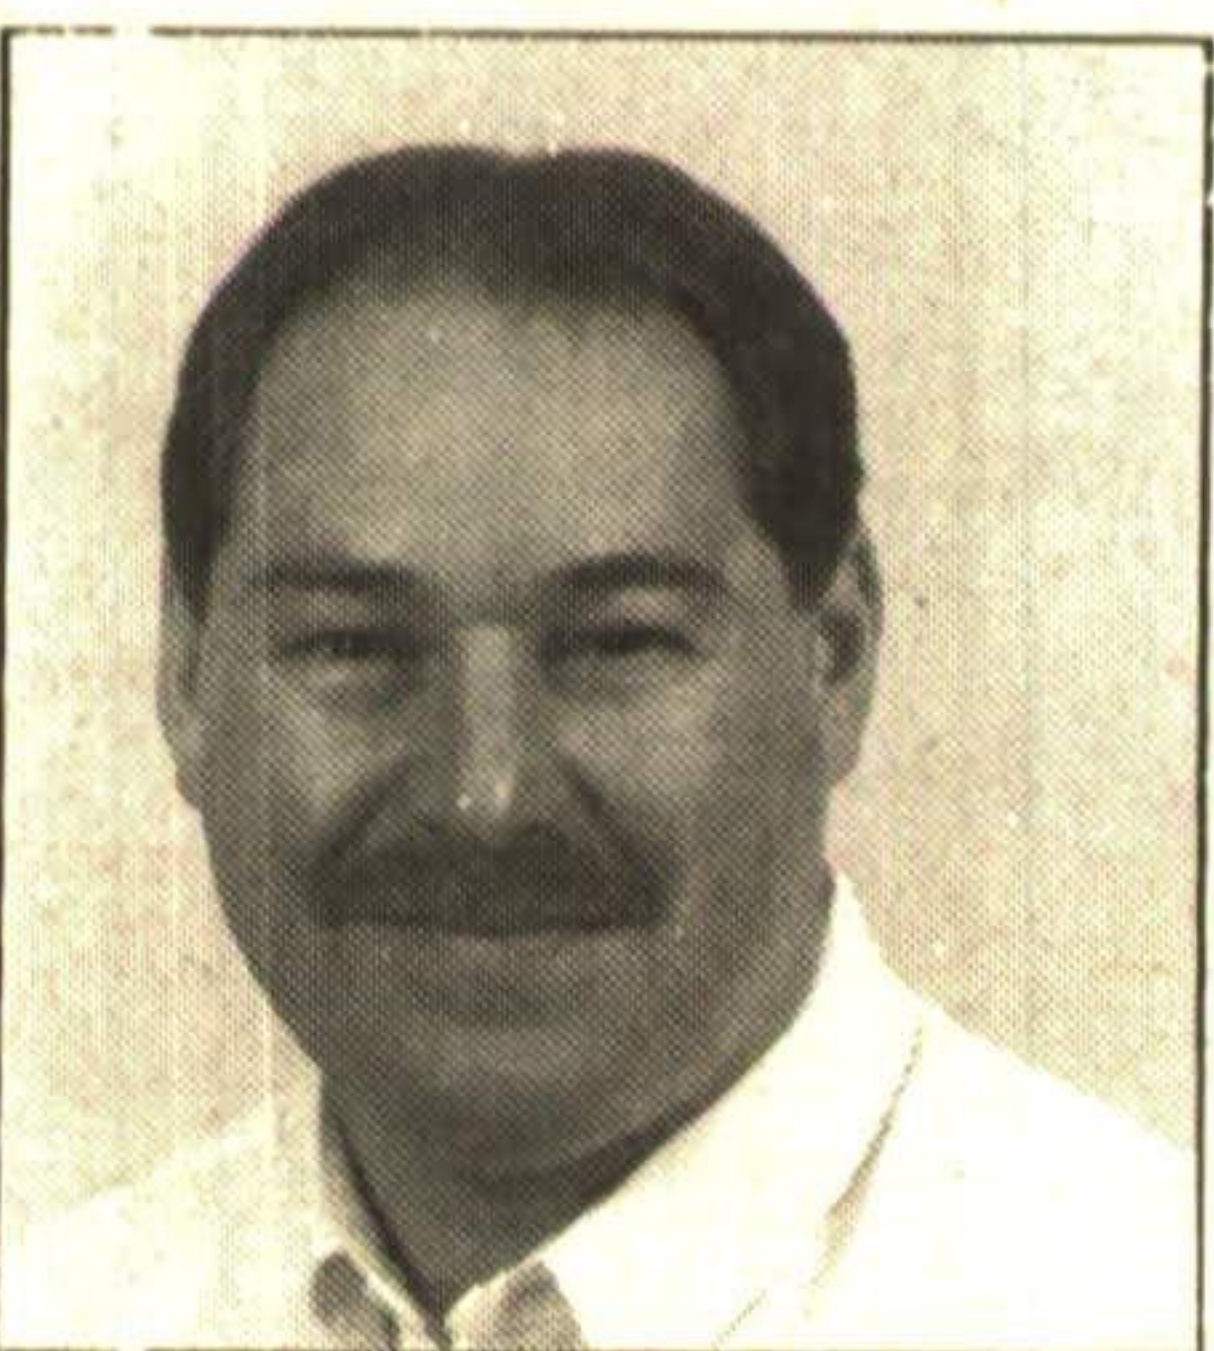

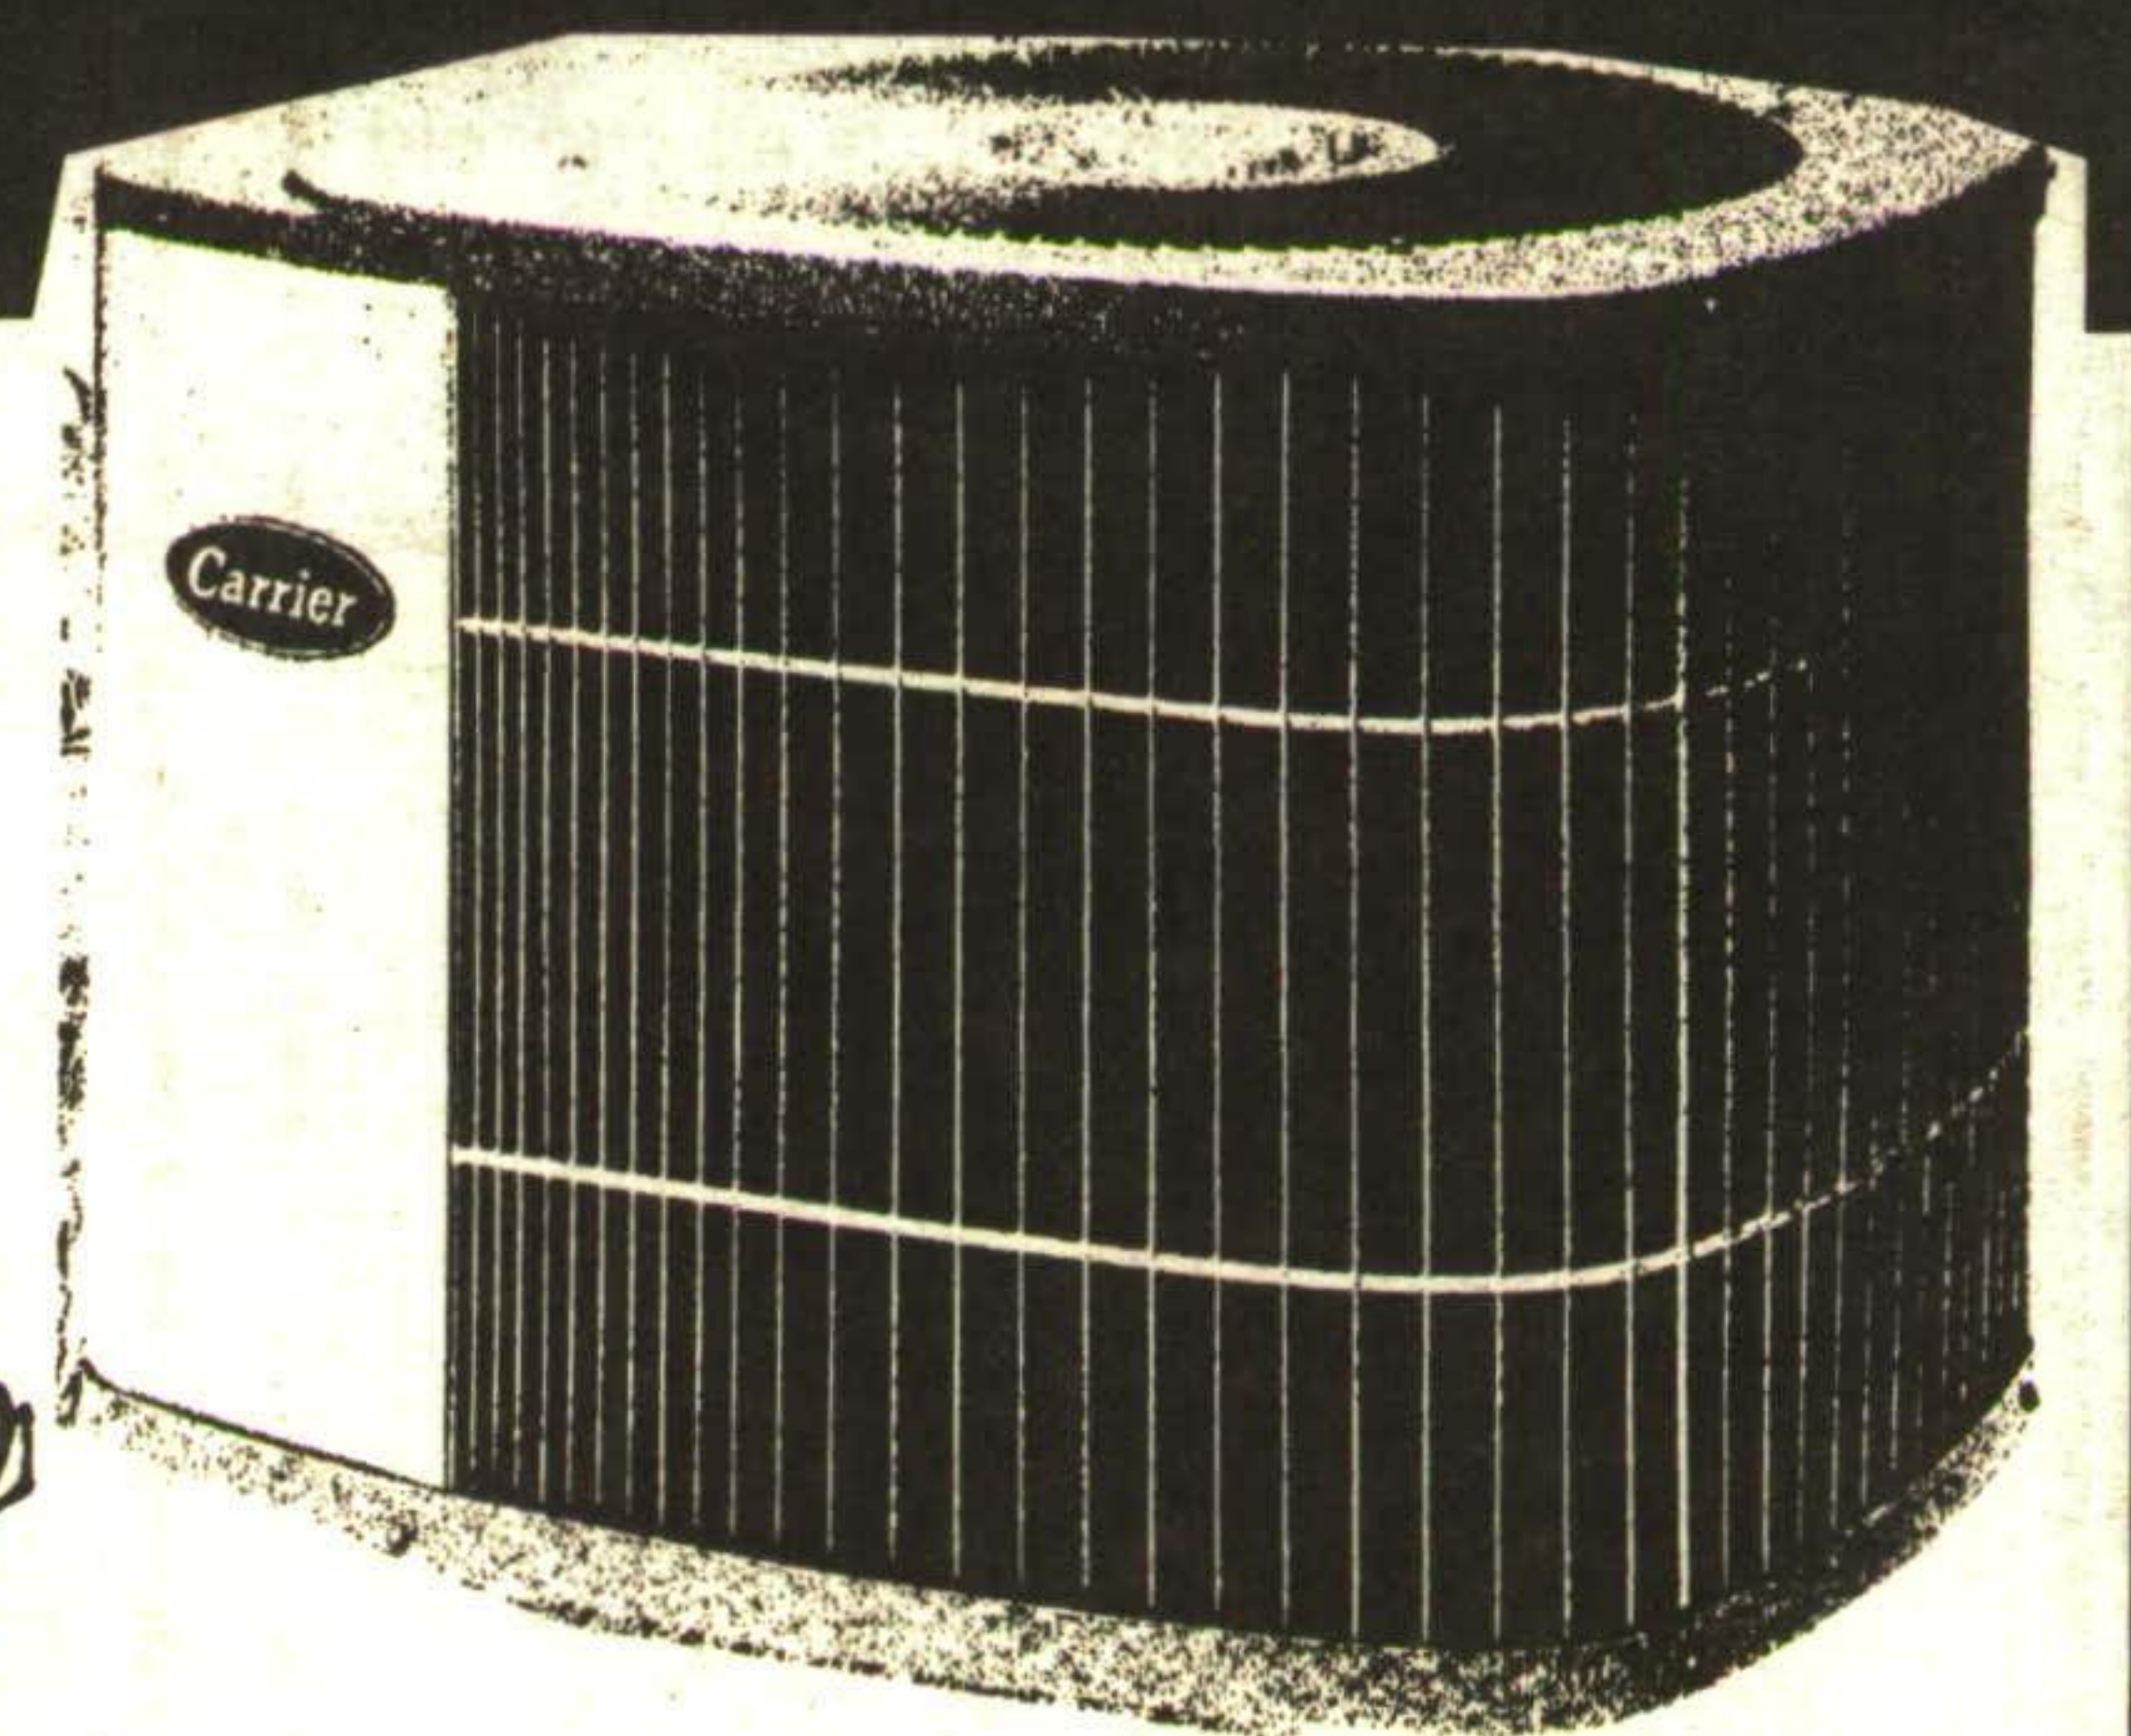

Andrienne Lambert, a Grade 8 student, is first in the school academically and is also on the school council. She plays volleyball, soccer and softball and is "an all-round gifted student," said principal Ronald Chartrand.

Andrienne is involved in the parish and has leadership potential.

"She's determined, hard-working and studious. She's a nice person, indicative of a top student at our school," Chartrand said.
