Conference call

■ Councillor Moya Johnson will be attending the Association of Municipalities in Ontario conference in Toronto in August. At the meeting Tuesday night committee supported a \$320 expenditure to cover the registration fee for the three-day conference. Johnson will commute to the conference, so there will be no accommodation costs. Council has to approve the recommendation before it is official.

Have your say

■ Members of the public will have a chance to comment at a public meeting August 6 on the application by Gill Transportation to construct a trucking facility on the south side of Steeles Ave., just west of Hornby Rd. The facility would include a warehouse, parking yard, and storage facility. Town planner Alan Binks said Gill is currently operating a trucking operation on the property illegally and the town has charged the owner. The matter hasn't gone to court yet. The meeting will be held at the Civic Centre at 7 p.m.

Police want public's help to solve burglaries

■ A series of burglaries in Acton has detectives seeking clues from the public that could point them in the direction of those responsible.

Between April 5 and May 6, four homes were entered in the developed area of Acton. Most of the houses had been left by their owners with a door

left unlocked, and most occurred during daytime hours.

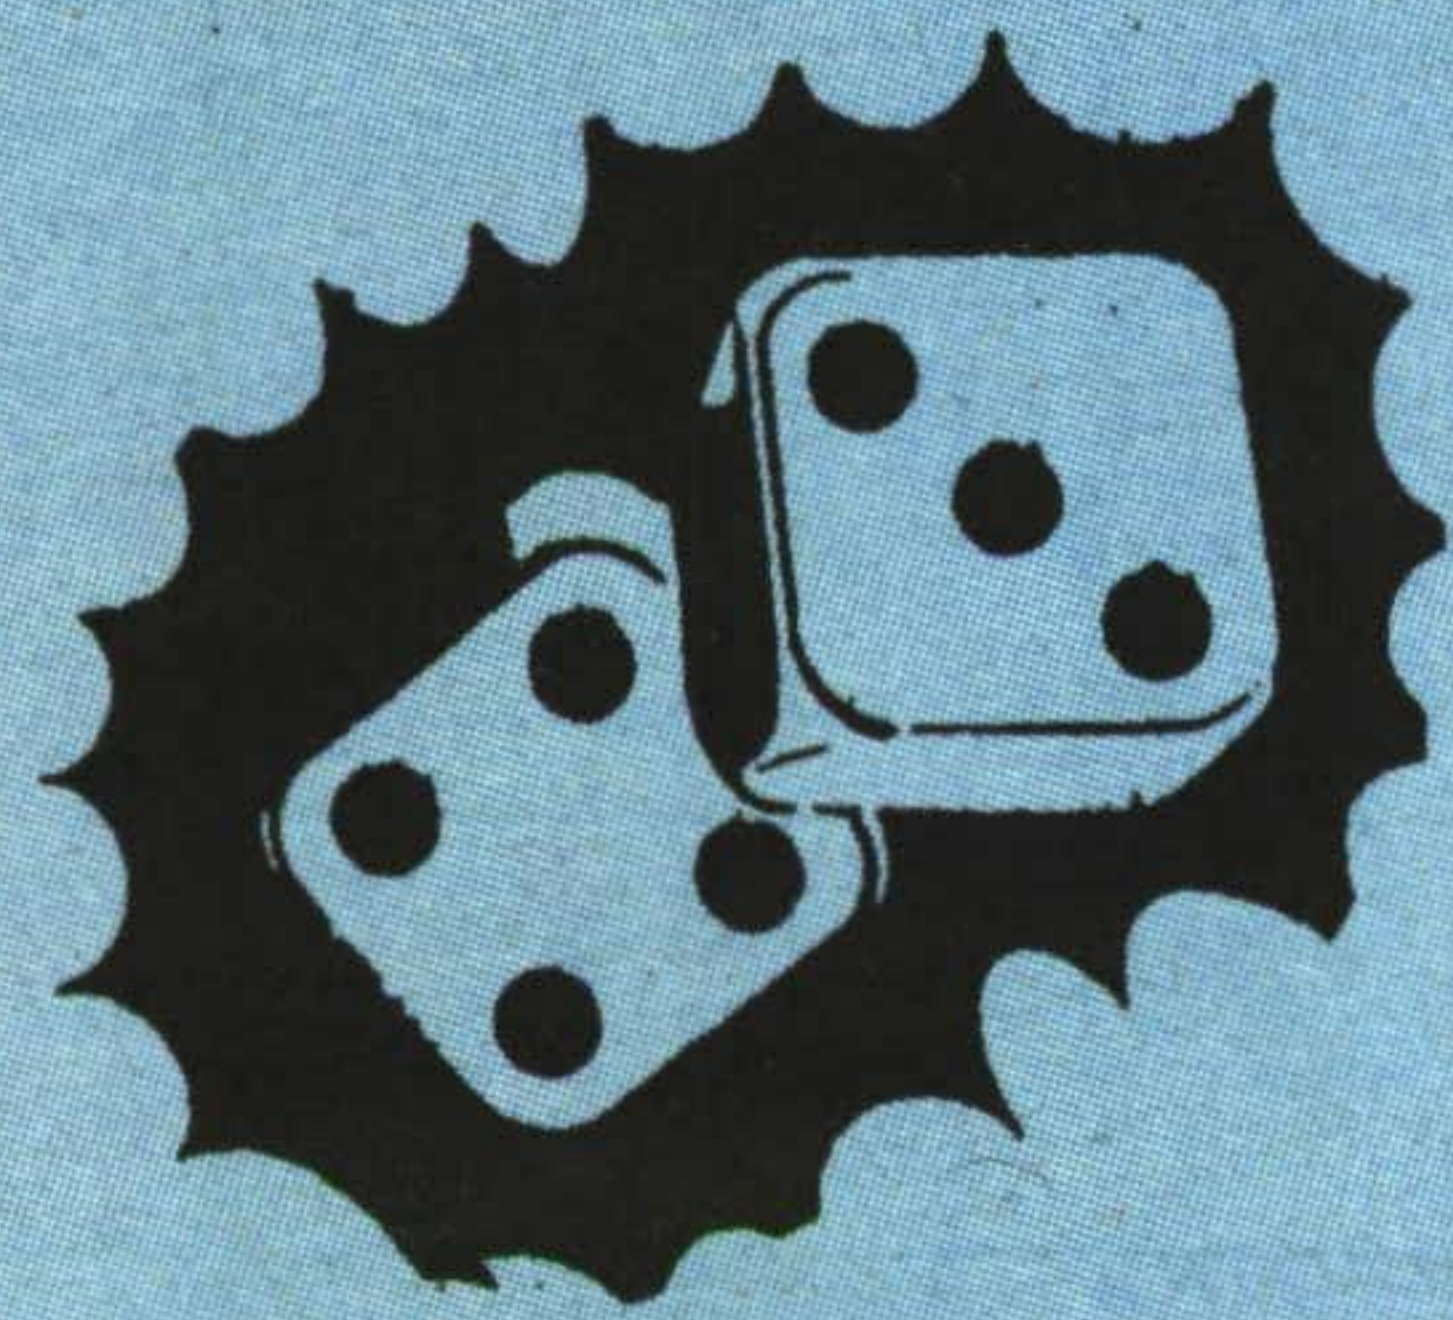

The property stolen by the culprit has included cash, credit cards and

VCRs made by RCA and Panasonic.

If anyone knows anything, call Crime Stoppers, 1-800-668-5151 or 825-TIPs (8477).

SENIORS WORTH A FORTUNE!

Remember - old folks are worth a fortune - with silver in their hair, gold in their teeth, stones in their kidneys, lead in their feet & gas in their stomachs!

I am now seeing five gentlemen every day replied gramma. As soon as I wake up "will power" helps me get out of bed. Then I go to see "John"!

Next, "Charlie Horse" comes to get me. When he leaves, "Arthur Ritis" shows up, and stays for the rest of the day. He doesn't like to stay in one place very long, so he takes me from "Joint to Joint". After such a busy day I'm really tired and glad to go to bed with "Ben Gay"!

The next day, a preacher came to call. He said at my age I should be thinking of the "Hereafter". I told him I do that all the time. No matter where I go, upstairs, downstairs, or in the basement, I ask myself ...

"Now what am I hereafter?!!!!!"
