

Gershwin Gala supports local public library

An evening of dining, dancing and musical cabaret will highlight this year's events celebrating the centennial of Halton Hills Public Libraries.

To mark the public library's 100th anniversary in Halton Hills, the library is holding a series of events over a four-year period, 1995-1998. The first library was established in Georgetown in 1895 and the Acton Library followed in 1898.

The cabaret, Crazy for Gershwin, starring Catharine McGregor is popular wherever it is presented. For lovers of music from the 20's and 30's and show tunes, it is a walk

down memory lane. It's an original musical revue based on the lives and music of George and Ira Gershwin. McGregor is the producer, writer and star of the musical. Her revue has drawn sold-out crowds throughout the metropolitan Toronto area and southern Ontario. McGregor regularly sings with the

Mississauga Big Band Jazz Ensemble.

Presented as part of the second annual Mayor's Dinner sponsored by Halton Hills Public Libraries, the dinner and cabaret will be presided over by Mayor Marilyn Serjeantson. It will be held at the North Halton

Golf & Country Club on Nov. 9.

Besides the gourmet dinner and cabaret, there will be a silent auction of an assortment of donated books, many of them autographed by their renowned authors including Margaret Atwood, John Grisham, and a special friend of the library, artist Robert Bateman.

The auction will be followed by dancing to the music of the big band era.

Tickets for the gala evening are available at the Georgetown branch. Tickets are discounted to \$50 per person prior to October 12 and \$60 after October 12. Don't miss the show, tickets are limited. For more information call 873-2681.

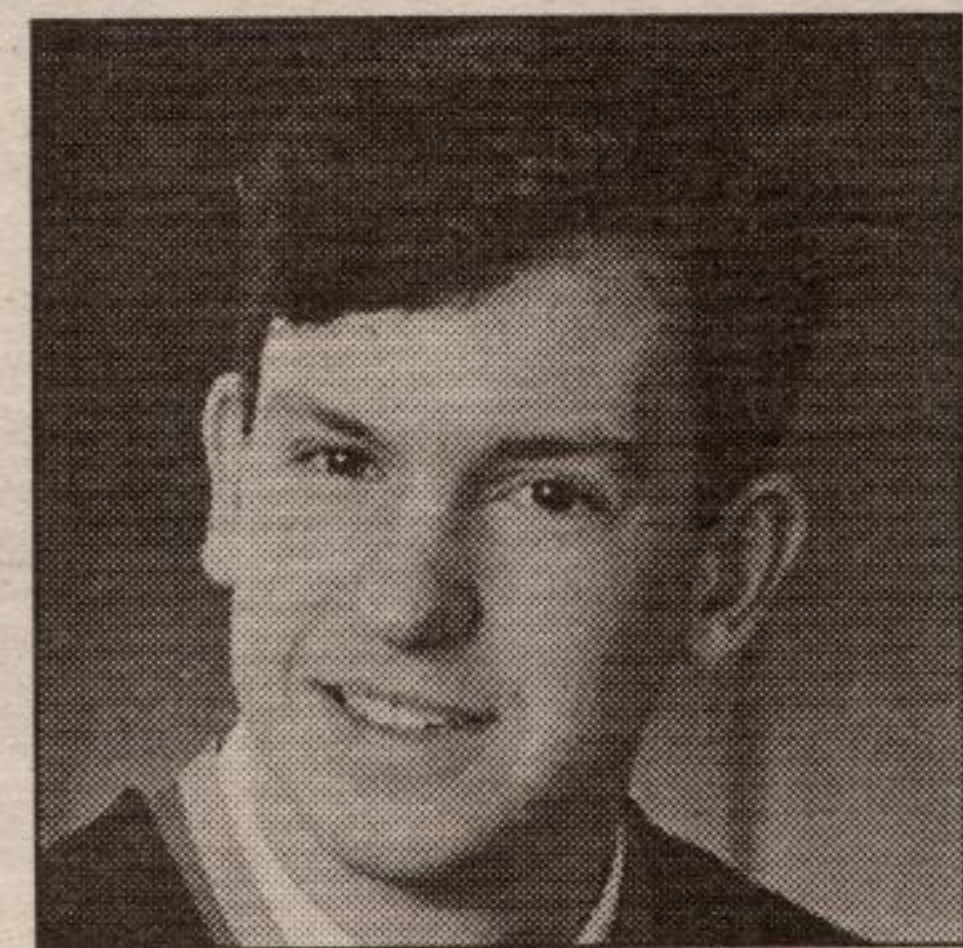

CATHARINE MCGREGOR

Happy 40th Birthday Keith!

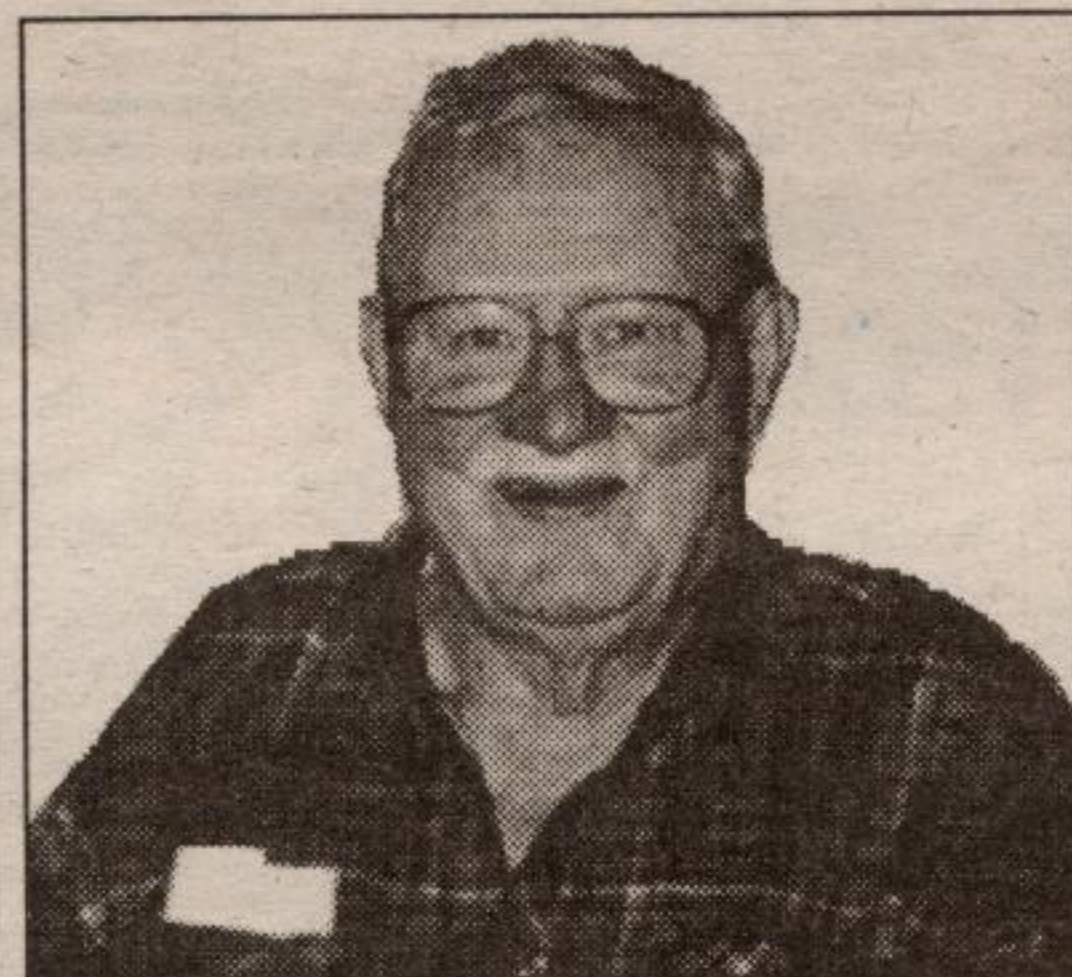

Love Always Nancy (pretty eyes) XO

CONGRATULATIONS!

Sherrell and Doug Sowers are proud to announce that their son Richard has received his Masters of Science Degree, Immunology major, from Queen's University. Richard has now entered Queen's University Medical School and is studying towards his MD degree.
