

# Unbeaten streak ends for junior Redmen volleyball squad

After a surviving one close call, the Acton Redmen junior volleyball team's undefeated season came to an end.

The Redmen defeated previously unbeaten Burlington Central on Monday to extend their winning streak to four only to be upset by E.C. Drury on Wednesday.

Acton did not take the easy

route in its Halton Secondary School Athletic Association (HSSAA) win over Burlington Central. The Redmen fell behind in all three games but rallied to win the match 15-11, 11-15, 15-12. In the deciding game Acton trailed 8-1 when coach Ken Ellis called a timeout.

"I told them that they knew what had to be done and only

they, playing as a team, could do it," Ellis said. "We dug ourselves a big hole in each of the games and put undue pressure on all players to bail the team out."

The Redmen fell behind by 10 points before rallying for the victory. Middle blocker Jeff Birrell played an excellent two-way game. Setter Andy Kilmer rallied the team,

serving a number of rallies that ended in Redmen points.

Two days later there were no comebacks against E.C. Drury. The team came out flat and struggled with its service reception. Ellis said both the team's offensive and defensive system broke down because of erratic passing and tentative hitting. The team also lacked covering on both the attack

and on defence.

"Let's hope this is a wake-up call," Ellis said.

Ellis said a prime example of the team's breakdown was in the second game. On four straight service rotations, Acton's serves were either in the net or out of bounds.

Acton's next game is Wednesday at Georgetown District High School.

## Pearson wins 40-39

## Rebels edged in overtime

One point separated the GDHS Rebels from squaring their record. The Rebels senior girls basketball team were edged 40-39 in overtime by Lester B. Pearson of Burlington in Wednesday's Halton Secondary School Athletic Association game.

The Georgetown District High School team, now 1-3, had their hopes for a second victory shot

down by a late three-pointer by their opponents.

The Rebels were hindered by the loss of both their centres. Laurie Crocker went down with a severely sprained ankle and Dana Lesko fouled out in regulation time.

"We didn't have any height to start with," said Rebels coach Moe Leeking. "We not as big and not as quick as other teams but we equalize it with hard work."

The loss was a tough one for the team. Leeking figures the team will need at least four wins to secure a playoff spot. With a nine-game regular season, the Rebels would need wins in three of their last five contests.

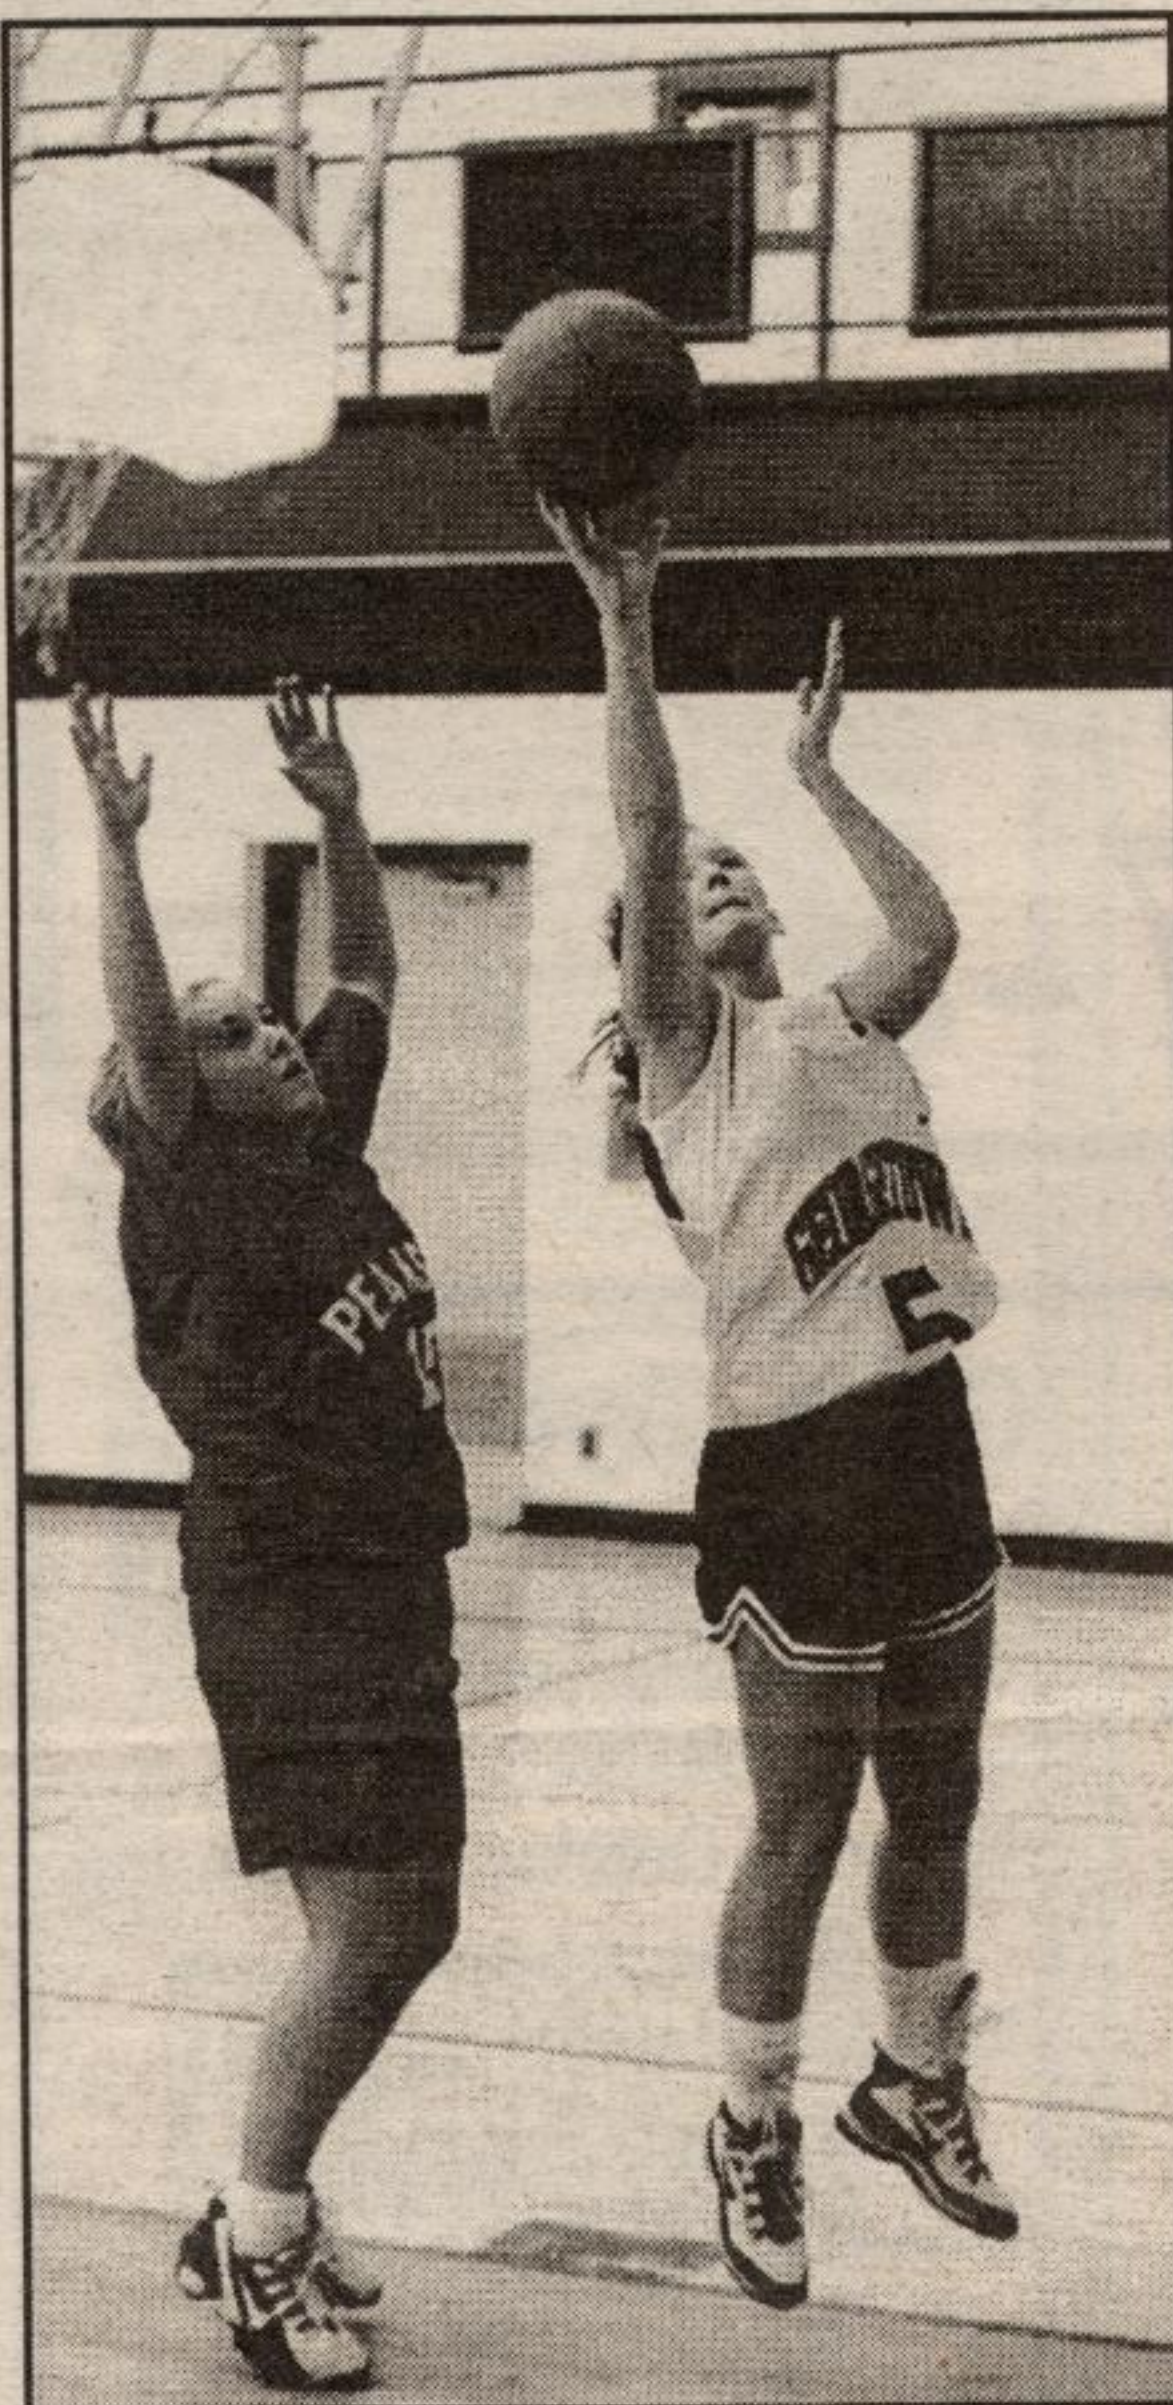

Shannon Nolan led the Rebels with 12 points on Wednesday, Chandra Shail had eight and Crocker and Julie Bottomley each had six.

The Rebels were also in action on Monday, facing Notre Dame. Although Notre Dame won 52-38, Leeking said the team showed positive signs. After averaging 21 points points in its first two games, the Rebels almost doubled that in both games this week.

"The difference came down to shooting, from the outside especially, but it is improving," Leeking said. "Thirty per cent of our practice time is shooting. If we can play well defensively and keep the other teams under 40 points and continue to improve our shooting we should be able to beat some teams."

Shail was the leading scorer against Notre Dame with 11 points. Nolan chipped in with eight while Lesko added six.

The Rebels next game is Wednesday at Acton. Game time is 3:30 p.m.

The Raiders came back with a strong effort against Guelph but were edged 3-2. Georgetown twice

## Miami's adds second football title

Miami's Auto Tinting and Cleaning cleaned up as they followed up their regular season title with a playoff championship.

Miami's defeated McQueen Maintenance 21-13 to solidify their spot atop the Georgetown Ladies Flag Football League.

Less than ideal field conditions made things difficult for both teams. Miami's was the only one to put points on the board in the first half as Cindy Kavanagh hit Joyce

Hawkins with a 10-yard TD pass.

McQueen played a strong second half, led by quarterback Jody McQueen. Tara Burroughs and Tina Gyro had touchdowns for McQueen but Miami's matched those majors. Brenda Cosulich had two touchdown receptions for Miami's to secure the win.

Miami's also got strong defence in the victory. Kavanagh and Lou-Ann Woods each had an interception to slow down the opposition's offence.
