Peewee II Raiders win and lose big

Georgetown Chiropractic & Sports Injuries Centre Peewee Two Raiders dropped a 6-2 decision to Elora after blasting Woolwich 10-0. In earlier play the Raiders suffered a 7-1 loss to Acton.

Thomas Korpan and Blake Corrin scored for Georgetown in the loss to Elora.

Against Woolwich, Brendan Louth kicked out 22 shots for the shutout while George Raynard paced the offence, scoring twice and setting up two more. Andrew Oesch and Will Brander also had a pair of goals each. Chad Fleming, Jordan Booth, Andy Burns and Corrin also scored for the Raiders. Fleming, Corrin and Allan Harvey had two assists apiece. Oesch, Brander, Chad Mitchell, Ryan Norton and Korpan had one assist each.

Defencemen Marc Monchamp, Nathan Parker, Nick Antoni, Mitchell and Korpan provided great defence to help Louth preserve the shutout. Brander and Harvey combined for the only Raider goal against Acton.

Novice II Sabres

The Acton Andy's Restaurant Novice Two Sabres lost three games, including a pair of one-goal decisions.

Greg Black had both Acton goals as Hillsburgh edged the Sabres 3-2. Greg Henry and Anthony Kri picked up assists. Black also scored in the Sabres 2-1 loss to Elora. Setting up the goal were Craig Kirkwood and Christopher Richards. Grand Valley defeated the Sabres by a 5-2 count. Kirkwood had both Acton goals with Black, Sean Nellis, Stephen Collins and Matt Lyons drawing assists on the goals.

Minor Peewee Raiders

A three-goal deficit proved to be too much for the Georgetown Charley Fitzwhiskey's Minor Peewee Raiders to overcome as Burlington held on for a 4-3 victory. The Raiders were down 3-0 before Thomas Stokes deflected Rusty Parsons' shot over the Burlington netminder. After another Burlington goal, Stokes and Parsons set up Billy McDonald. With an extra attacker on the ice, Kevin Oulds pulled the Raiders within one by putting in a rebound with 29 seconds to play. Dan Walinga drew an assist.

A pair power-play goals in the third period proved to be the difference as Oakville defeated Georgetown 3-1. Mike Eichstedt scored the only Raider goal from Eric Thompson.

Minor Atom Raiders

The Georgetown M&M Pro Sports Minor Atom Raiders dominated both ends of the rink as they blanked Brampton 6-0. Defensively, the Raiders allowed only 10 shots on net while offensively they got goals from six different players.

James Mountford opened the scoring from Tim Walinga and Aaron Kirk. Walinga then tipped in Peter Tregunna's shot and 34 seconds later Mark Boycott set up Matt Velten to make it 3-0. Kevin Field had the only goal of the second, assisted by Velten. Boycott got a shorthanded marker in the third and Walinga set up Shaun Dennie for the final goal.

The team continued its winning ways by downing Milton 3-1. Mark Boycott scored all three goals, including the winner on a Raider power play. Travis Bland, Velten and Field had one assist each.

Novice Hurricanes

The Halton Novice Hurricanes scored three unanswered goals as they defeated Brampton 4-1.

Blake Hamilton and Creighton Reid set up Tyler Holmes for the first goal of the game. Brampton tied the game but Justin Noble, Holmes and Mark Humberstone scored as the Hurricanes blew past their opponents. Humberstone, Paul Sharples, Ryan Williams, Jonathan Schultz and Deron Cousens each had one assist. Simon Sharples had a great game in the Hurricane net to record the win.

The Hurricanes came up just short against Oakville. Trailing 2-0, Humberstone scored on a wild scramble with 29 seconds to play. Despite pulling the goalie for the extra attacker, Halton couldn't get the equalizer.

Novice II Raiders

The Georgetown Referee's Association Novice Two Raiders continue to search for their first win of the season.

The Raiders almost surprised the Orangeville Flyers before sagging late in the game and dropping a 5-1 decision. Matt Kent had the lone Raider goal as he outraced the Orangeville defenceman and tucked the puck through

the goalie's legs. Mike Knowles and Eric Davis assisted on the goal. Robert Paglia is continuing to provide strong defensive work while Corey Durham and Adam Hess are contributing by displaying a physical presence around the net. Goalies Jeff Gribbon and Curtis Sargent have been solid while splitting the goaltending duties.

Bantam II Raiders

The Georgetown John Henderson Bantam Two Raiders scored four straight goals to overcome a 2-0 deficit and down Grand Valley 4-2. Tyler Baker started the comeback midway through the second and teammates Bob Harlow, Justin Normore and Chris Kirk put the Raiders ahead to stay. Baker, Dave Sewell, Alex Tremblett, Jeff MacIntyre had one assist each. Raider goalie Jamie Larocque made the comeback possible as he turned aside 45 Grand Valley shots for the win.

The Raiders also dropped a 7-3 decision to Erin. Baker, Normore and Tremblett each had a goal and an assist for the Raiders. Chris Kirk also had an assist.

Major Bantam Hurricanes

The AAA Halton Major Bantam Hurricanes have played extremely well over the last two weeks to bring their record back to the .500 mark at 4-4-3. The team is preparing for tournaments in Niagara Falls, N.Y. and Guelph at the end of the month.

The team has a strong local flavor with four players from Georgetown (Sean Muscat, Andrew Black, Ryan Bobor and Matt Hotham), two from Acton (Andrew Coe and Darym McIntyre) and one from Rockwood (Marc Forbes). The Hurricanes have an upcoming game at Alcott Arena Nov. 28 at 9 p.m.

OHA grants request

Raiders unlikely to use affiliate this year

BY HERB GARBUIT

Although the Georgetown Raiders have been granted a late affiliation request by the OHA, it's unlikely the team will work out an agreement this season.

Raider coach and GM Rick Bince has been negotiating with a Jr. C team in hopes of striking an affiliation for the remainder of the season. However, there are a couple of roadblocks in his path. The first is trying to negotiate an affiliation in mid-season.

"What advantage is it to them (the affiliate) now?" Bince said. "The advantage is always to the club at the higher level. All indications are it would be something we're looking to for next year."

The second barrier is finances. Bince had hoped to strike a deal with the Orangeville Crushers at the beginning of the year but the Jr. C team got a cash deal from the North Bay Centennials of the Ontario Hockey League.

"We don't have accessible money," Bince said. "What I have to do is try to convince a team that what we can't give you financially, I can give you with my recruiting abilities."

Bince said an affiliation would help the team in case of injuries or in situations like the beginning of the season when the team was short on defencemen. It would also give the Raiders the use of some Jr. C cards, giving them a little more flexibility with their roster.

RAIDER RAP: The OHA endorsed the Provincial Jr. A Hockey League's request that players with helmets unfastened be assessed a minor penalty...The Raiders host the Hamilton Kilty Bees Saturday at Alcott at 7:30 p.m. and then play in Vaughan Monday. The Raiders beat the Vipers 5-3 in their only meeting this season.
