WE'VE OUTGROWN OUR HOME!!

We really love our home but we need more room! There's a large window in the eat-in kitchen looking out at the play area for the kids. The living/dining room has a walkout to the fenced backyard. In the basement there's a large rec room (more commonly known in our house as "The Kid's Romping room"), as well as a laundry/storage area. Upstairs, all three

bedrooms are a good size and are close to the bathroom. We've done some painting and wallpapering, and we've put a new gas furnace in. This was a great starter home for us. At \$124,000 with 5% down, you could say goodbye to your landlord! Feel free to call YVAN* to set up an appointment to come see our home. RM217-96
