loyd Nelson says that community support has enabled him to thrive in the trade he learned and has enjoyed since his school days.

The Body Shop, which employs four people, has been operating in the Georgetown area for 21 years— nine from their present location northwest of town.

"To be successful, you need to be happy about what you do in your life, you must take the time to see what your customer wants from you and then do the very best you can for them," said Floyd.

As part of their commitment to customer service, The Body Shop has a new office where customers can relax while waiting for their vehicle. Discount rental cars are available for insurance claims and BNR Towing, which is CAA approved, can be reached 24 hours a day by calling Burt Nap at (519) 853-5848.

Floyd said they have had a lot of good times and are able to give something back to the community by supporting local baseball and hockey teams as well as the Optimist Club.

"We hope to see you (customers) for another 21 years and thank you for your support," Floyd added.

The Body Shop is located on 22 Sideroad in Georgetown. (Hwy. 7 and 22 Sideroad). For more information, call 873-8102.
