JOHNSON CONTROLS
The fastest growing division of a Fortune 500 Company is looking to expand their team for their most recent production/manufacturing facility in Milton.

You would be working in a friendly, clean and safe environment assembling complete seat sets for the automotive industry.

Heavy lifting is required therefore, you must be in excellent physical condition. If you are team spirited, possess a minimum grade 12 education and are accustomed to working in a manufacturing environment, you may be the team members we are looking for.

Please forward your resume (hand written is acceptable), including wage expectations to:

Box 2342
C/O The Independent/Free Press
211 Armstrong Ave.,

515 Skilled & technical help

JOHNSON CONTROLS
Johnson Controls is a leading North American manufacturer of automotive seating. Achieving outstanding excellence in the areas of quality, we pride ourselves in all areas of "Just In Time". Our strength in our team concepts and philosophy enables us to continue to improve and exceed our customer expectations.

MAINTENANCE TECHNICIAN

Belonging to a team of maintenance technicians, the successful candidate will be responsible for maintaining all areas of the plant, including production lines, building utilities and most importantly, the team atmosphere throughout the plant.

If you are a **Certified Electrician and/or Millwright**, have working knowledge in PLC programming and troubleshooting, are familiar with control systems, robotics and automation, you may be the team member we are searching for.

Please forward your resume to:

Box 2342
C/O The Independent/Free Press
211 Armstrong Ave.,
Georgetown, ON, L7G 4X5

Industrial Electrician Industrial Millwright

The **Industrial Electrician** will focus on the selection, installation, troubleshooting and repair of such equipment as motor control centres (starters, breakers) control panels (relays, timers, alarm modules) and PLCs. Familiarity with SCADA, instrumentation and electronics would be a definite asset. **Competition #PP-52**

The **Industrial Millwright** will focus on the selection, installation, troubleshooting and repair of such equipment as pumps, valves, mechanical drives (gearbox and speed reducers, electric/pneumatic/hydraulic actuators, welding, pipe fitting and rigging). **Competition #PP-51**

Both positions will maintain our water and wastewater facilities and work in a team environment that requires good communication skills with the ability to interpret equipment and systems documentation.

You have completed an approved apprenticeship program and are certified in the respective occupation with the Ministry of Community Colleges and Universities. Computer proficiency would be an asset, as would 3-5 years' practical experience.

Please forward your resume, quoting the appropriate competition # by December 13, 1996, to: **Human Resource Services, Regional Municipality of Halton, 1151 Bronte Road, Oakville, ON L6M 3L1**
We thank all candidates for their interest. However, only those selected for an interview will be contacted.
