

### The Christmas spirit

The Firestone Cruisers and Coaches Korner have combined their efforts to help the Georgetown Bread Basket and the Salvation Army Christmas Fund. They will be collecting food in yellow baskets placed at locations around town, such as banks, Coaches Korner, Firestone, Halton Credit Union and the Georgetown Motor Inn. Non-perishable food items needed include peanut butter, cereal, canned fruit, canned soup and pasta.

Coaches Korner, at the former Time Out location, will also be having a \$9.95 prime rib dinner special on Dec. 15. Two dollars from every prime rib dinner will be donated to the Salvation Army Christmas Fund. Helping launch the activities were front (from left) The Firestone Cruisers' Hillary Eby, president Ray Russiani, Ruth Ann Russiani, Coaches Korner's Barry Fraser, and (back) Rob Faulkner.

### WHEN EXERCISE IS NOT ENOUGH!

Body sculpting by liposuction is literally a dream come true. Localized accumulations of fat, which may be inherited and sometimes impossible to eliminate by exercise or dieting, can now be removed permanently by liposuction, never to plague you again.

The concept of liposuction is surprisingly simple. It is a technique that improves the body's contour by removing excess fat from fatty deposits located between the muscle and the skin. Fat cells that are removed by liposuction never grow back.

In men, the most commonly treated areas include the love handles, abdomen, breasts, chin and neck.

In women, the most frequently treated areas are the abdomen, hips, knees, calves, chin and neck.
