Surprise announcement

**Mani Mitera resigns
as Chamber chief**

By LISA TALLYN
Staff Writer

Halton Hills Chamber of Commerce president Mani Mitera has resigned from the position due to medical reasons.

Mitera made the announcement, effective immediately, Thursday.

Chamber executive director Anne Sidebottom said the chamber's executive committee members were surprised by Mitera's resignation however they did know he had suffered health problems in the past and agreed to take the job dependent on his health.

Sidebottom said the chamber's executive committee will share the responsibilities of the president unless someone comes forward and is willing to run for election. Mitera's term was to end on June 1 1997.

"We have every confidence in our executive committee carrying on the responsibilities of the president and meeting the needs of our membership," said Sidebottom.

MANI MITERA

**Season's
Greetings**

from the staff
and management

Thanks for a Great Year.
It's our pleasure to be of
service to you!
