## ...We're More Than Your Average Small Town

### Shop for Christmas in a true small-town atmosphere

Still looking for that special Christmas gift? Still have Aunt Maud to buy for? Well your problem is solved—browse the stores of Acton. There is variety, quality and distinction at each and every one. Check out the new and improved

Home Hardware or the wonderful uniqueness of Déjà Vu Antiques, both on Mill St. For the handy man on your list, stop in at Acton Leathertown Lumber on Main St. North or at Acton Precast Concrete. For the golfer in the family drop by Precision Golf.

These are just a few of the great stores in Acton—there's also a doll store, handcraft store, flower shop, leather goods store, furniture and electronics store ...

And venturing to downtown Acton is like a stroll back to the past of yesteryear with the old-fashioned

buildings and beautifully decorated streets and friends stopping on the sidewalk to exchange holiday greetings—Christmas shopping becomes a joy, and no longer a chore.

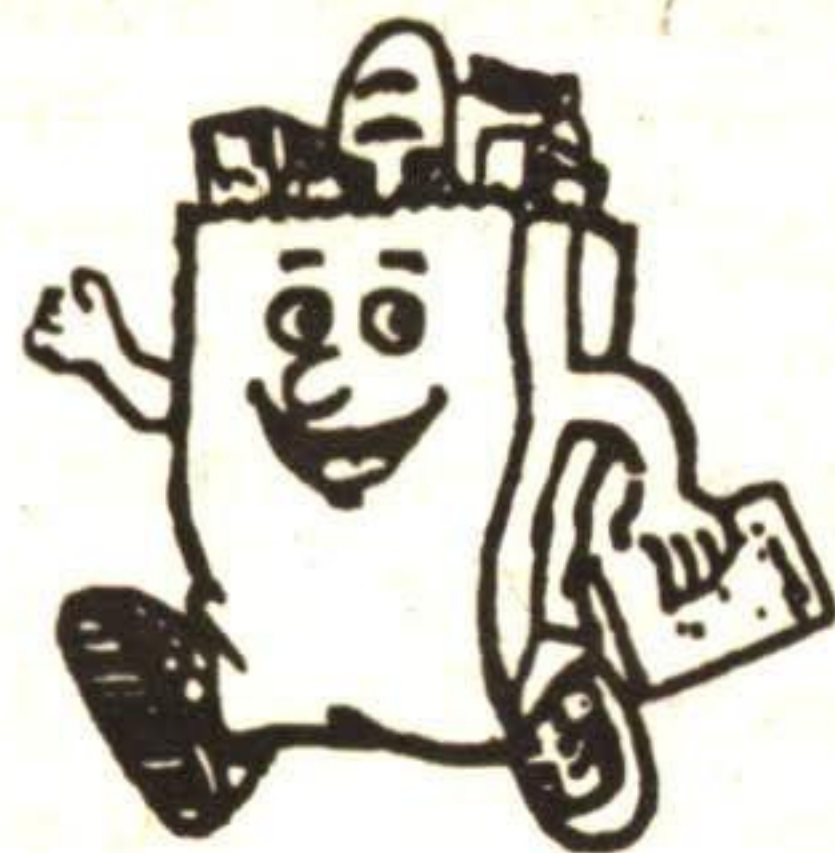

So give yourself a gift, and come shop in Acton, where the merchants all wish you a Merry Christmas.

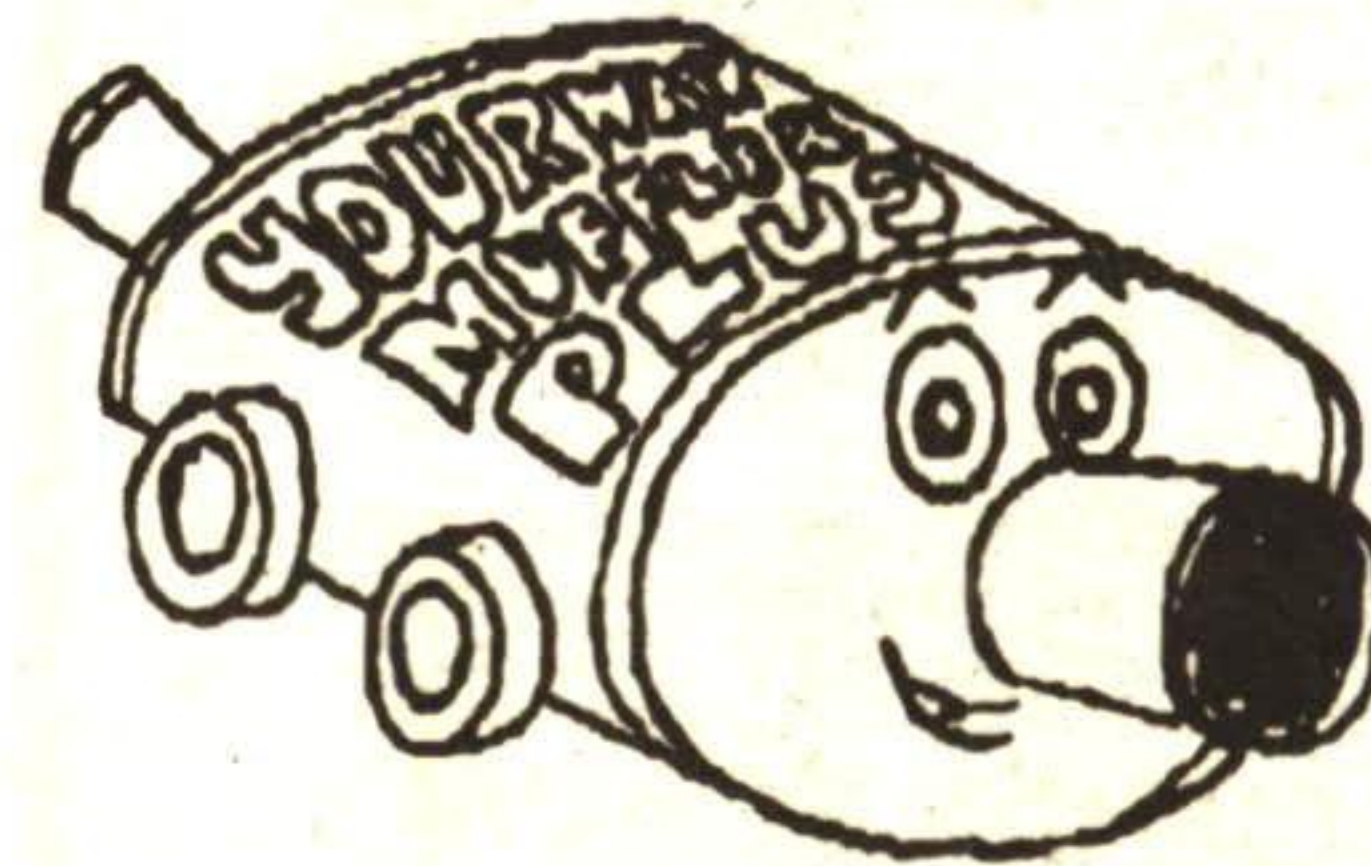

Even Santa Claus shops in Acton.
