Just Kidding

Olympic Logic

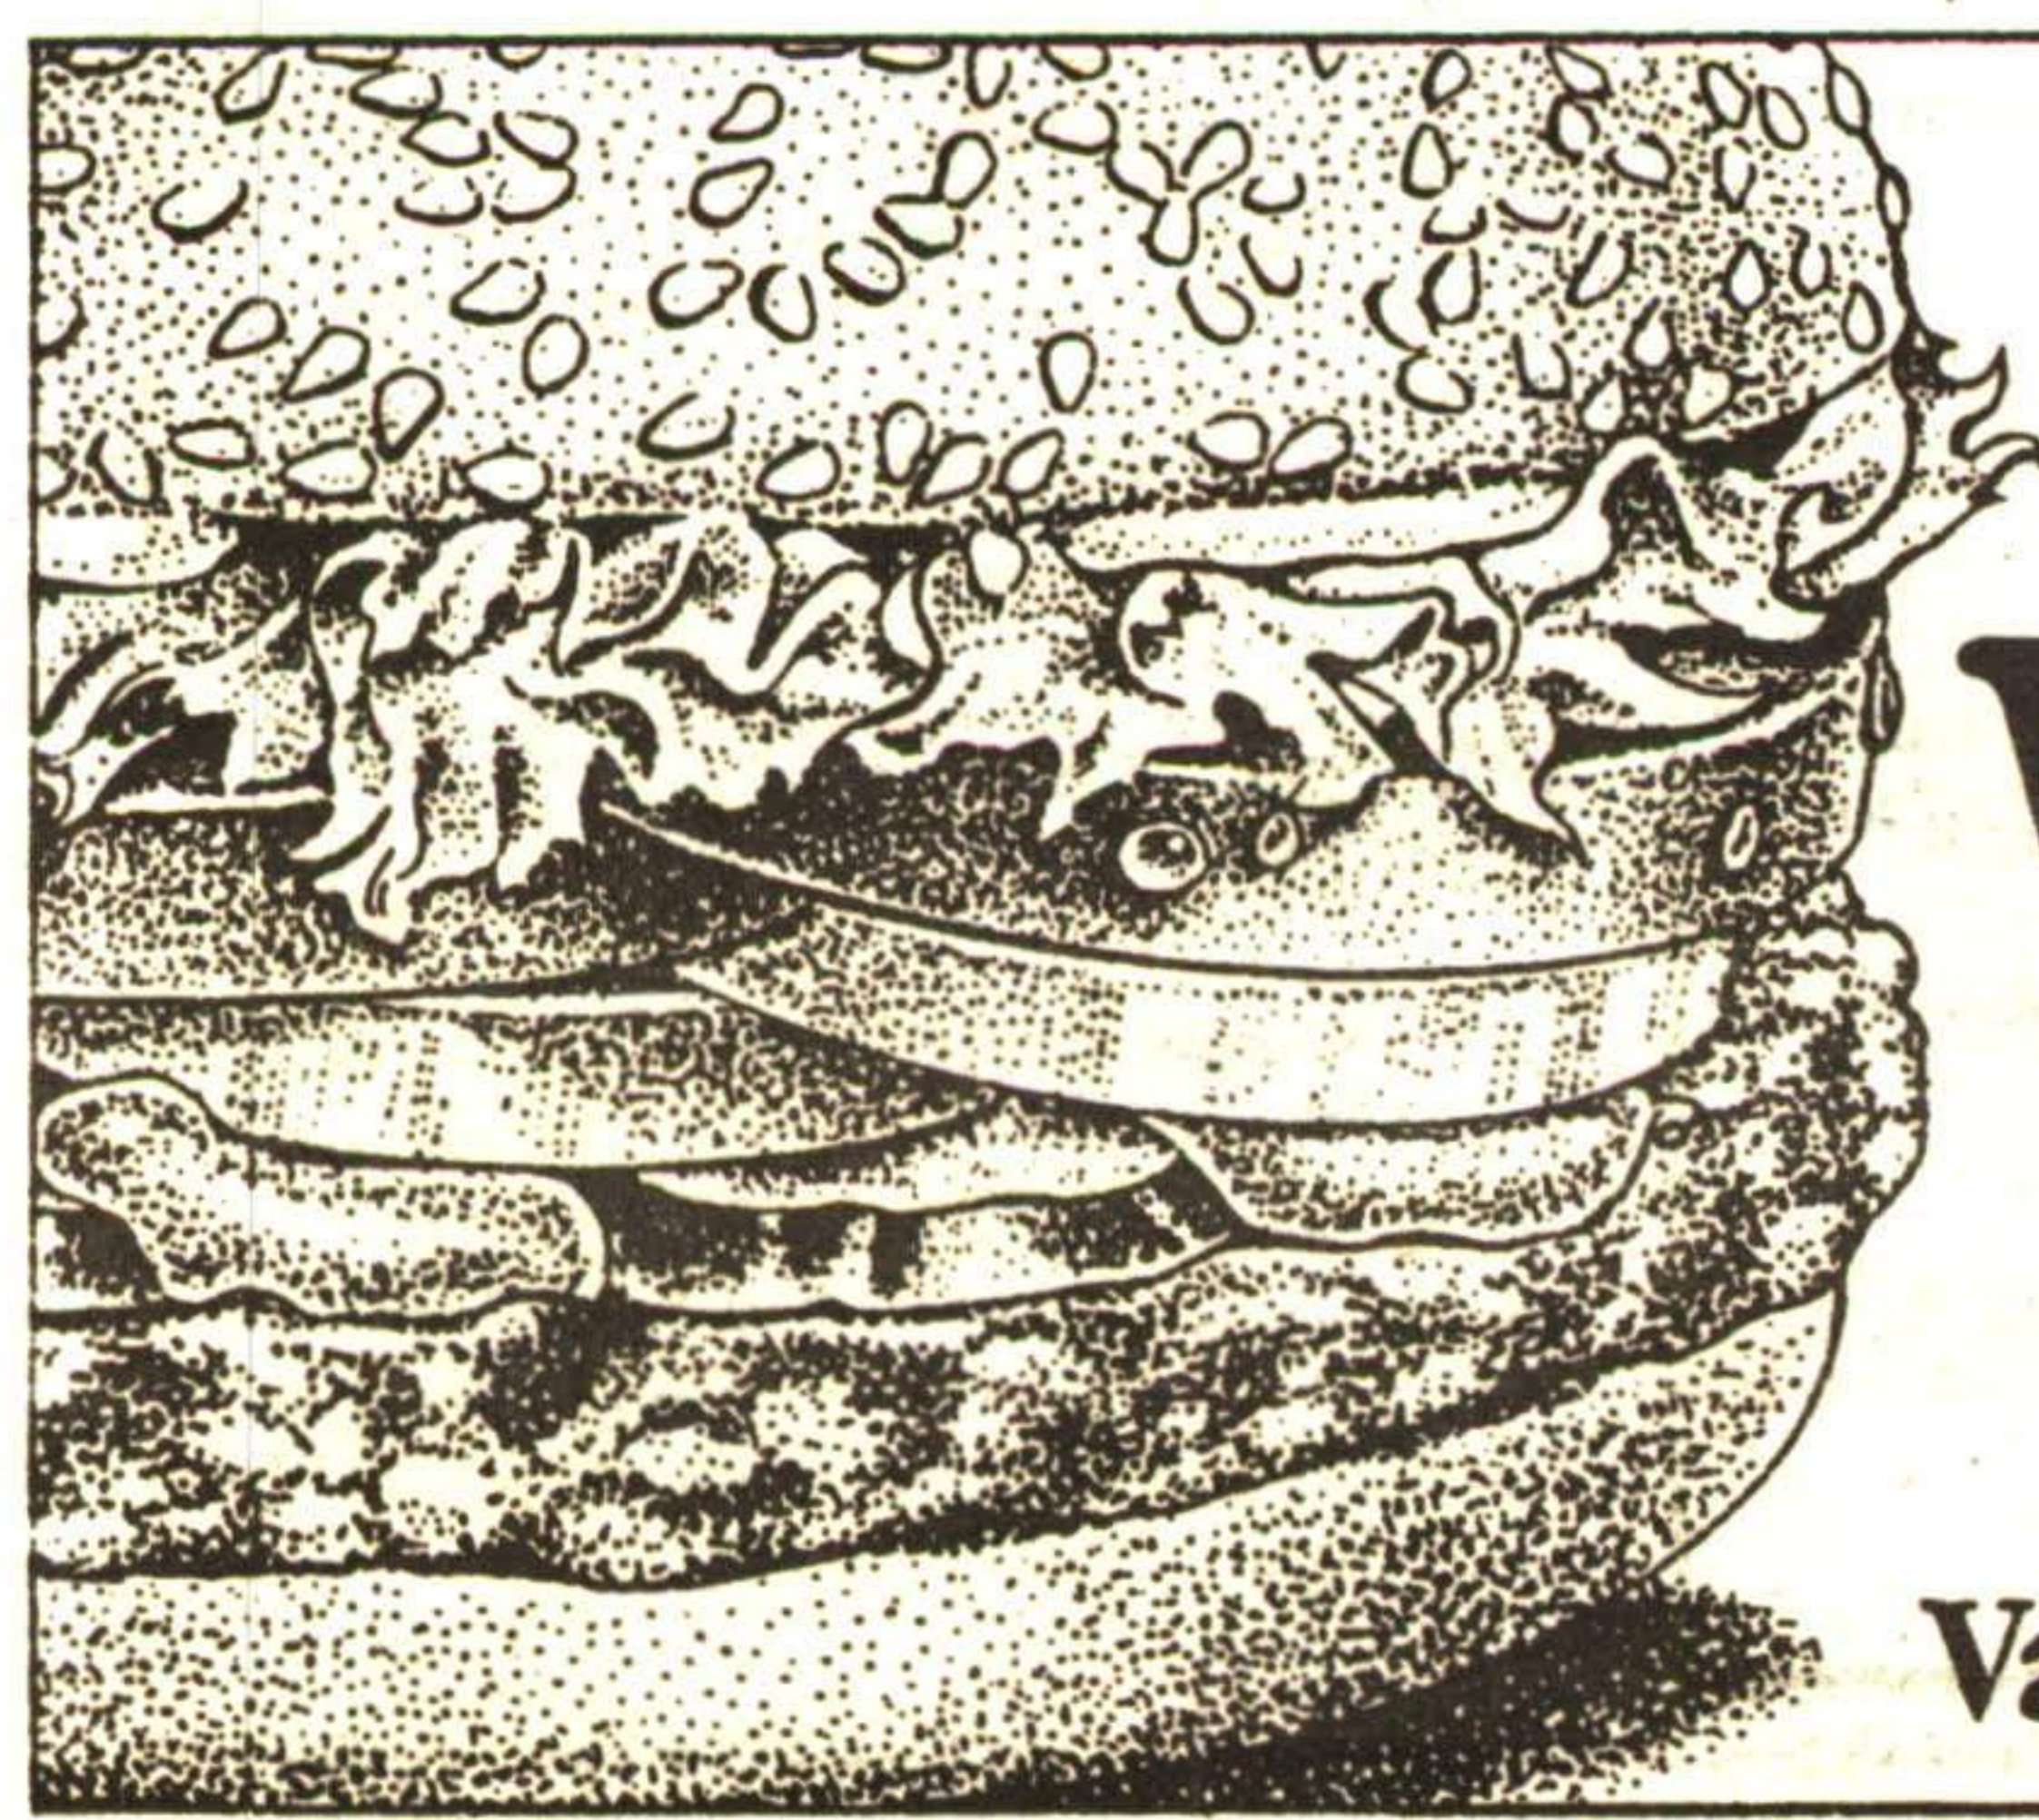

By Martha J. Morrison, Candor, NY

Four Olympic competitors found that their sports bags had all been delivered to the wrong hotel rooms. The man from Germany got a bag with the initials V. K. on it, and the initials T. R. were on the bag delivered to the man from the United States. The man from France got the bag with the initials P. C., and K. C. were the initials on the bag delivered to the man from Russia. Use the clues to find out what sport the man from the U.S. competes in and what country the man with the initials V. K. is from. Put an "x" in each incorrect box and an "o" in each correct box.

1. P. C. was not from Russia.
2. The man from Germany could not swim.
3. The man from the U.S. opened the bag that had been delivered to him and found running shorts.
4. V. K. could not speak English and his gymnastics coach acted as his interpreter.
5. The Frenchman was a diver.
