# Confused?

Are you tired of ads featuring so called "SUPER DEALS" which give you a very low monthly payment, but require a down payment much larger than it appears! (e.g. \$2,000 + Frt., Lic. & Taxes is about \$4800. down)

At Park Lincoln-Mercury, we would rather show you the benefits of dealing with Halton Hills #1 Combined Ford Truck & Minivan Sales Leader than confusing you with so called "SUPER DEALS."

Over the past fifteen years, Park Lincoln-Mercury has sold more **FORD** F-Series Trucks, Windstars, Aerostars, Villagers, Explorers, Econoline Vans & Expeditions than ANY ONE ELSE In Halton Hills.

## THERE IS A REASON!

We stock our vehicles differently than most of our competitors – because we know & care about our customers, and their needs! We include the options our customers have told us are important to them, and the equipment we feel is mandatory for our customers safety & enjoyment.

All dealerships can sell cars for the same low price **BUT** not all dealerships can offer you the level of quality service and desire for total customer satisfaction that you will receive at Park Lincoln-Mercury.

So...for a completely different shopping experience – check our their prices but come and see our valued-added service before you sign any deal.

### IT'S A BIG DECISION. DON'T GIVE YOUR MONEY TO JUST ANYONE!
