**WE CAN CHANGE THE WAY YOU LOOK AT REPORT CARDS.**

Sylvan Learning Centres™ can help you - and your child - actually look forward to report cards. We begin with a test to identify strengths and weaknesses, then develop a customized learning programme with lots of individual attention, encouragement and praise from a caring, certified teacher. Your child's self-confidence, learning skills and study habits will improve. Just a couple of hours a week at Sylvan® and you'll begin to look at report cards a little differently.
