Trunk and bake sale set for Saturday

In its continuing effort to raise money for a skate park in town the Skateboarders, In line Skaters & BMX Bikers Association of Halton Hills (SIBAHH) is holding a trunk and bake sale this Saturday.

The sale will be held in the Gordon Alcott Arena parking lot between 7:30 a.m. and 2:30 p.m. A skateboarding demonstration will also be held in the parking lot.

Sherry Mitchell, chair of SIBAHH, said the association would like to build a cement skate park (in a bowl-like shape) in Cedarvale Park near the bottom of the toboggan

run. She estimated the cost of the skate park, not including the land which the association hopes the town will donate, will be \$30,000 to \$35,000. The association plans to speak to town council about its plans at next Monday's meeting.

A temporary area for the kids to skate, perhaps at Memorial Arena, is also being considered. A skateboarding day has been set for May 24 from 2 to 10 p.m. at the arena. Kids will likely be charged between \$5 and \$7 to use the facility that day.

Mitchell said in Georgetown there are about 400 kids who skateboard. She

added they are constantly being kicked off paved parking lots and some kids have been charged with trespassing.

She is urging everyone who supports the skate park concept to become involved again. She said enthusiasm for the project, which was very high last year, appears to have waned. Only about 15 people, besides kids, showed up at a meeting held by the association last week.

Anyone interested in donating a garage sale or bake item to the upcoming trunk sale should call Mitchell at 877-9104.

Savoline to be part of Who Does What team

Halton Region chair Joyce Savoline was recently named to one of two Who Does What transition teams.

The teams are to determine how to work together in carrying out a wide range of proposed Who Does What reforms.

Savoline will be a member, along with a

handful of other municipal representatives, of the Social and Community Health Services Transition Team which will look at social, community health and housing services. A provincial-municipal transition team has also been put together to look at all other proposed changes.
