Leathertown Lumber provides friendly, personalized service

Leathertown Lumber's Betty Farr figures it's friendly, personalized service that keeps people coming back to the family-run business.

"We specialize in pressure treated wood for decks and fences," says Betty, co-owner of the business with

husband Vic. "And with spring's arrival, we have everything people need to get the outdoor projects underway, including in-store videos to help them with their home improvements."

At Leathertown Lumber, Betty and her son Tom run the day-to-day

operations with help from daughter Jo-Anne.

The family has a 30-year history in the lumber business, the last five have been at Leathertown Lumber, located at 264 Main St. N., in Acton.

The business offers free lumber delivery, while free coffee

compliments the friendly, personalized service they have offered their customers for the past half-decade.

Leathertown Lumber is open Monday to Friday, 7 a.m. to 6 p.m., and Saturday, 8 a.m. to 5 p.m.
