"Tax Cuts Later" = "Tax Cuts Never"

Real Incomes have dropped

Under the Liberals, Canadians have seen their real incomes drop. We are poorer today than three years ago. Canadian taxpayers need relief.

Deficit Reduced on the backs of Canadians

The Liberals have increased taxes to reduce the deficit while allowing waste and exorbitant spending to continue in Ottawa. Just look at the canoe museum Jean Chretien built for his riding. And here in Burlington, Liberal MP Torsney has seen the world in three years - at your expense! It's time to tighten the belt in Ottawa and loosen

the burden on taxpayers like you.

Jean Charest will cut taxes now

A Jean Charest government will give Canadians a much needed tax break in the first year, which will more than offset the increase in CPP premiums and give you a 10% income tax cut. We'll reduce job-killing payroll taxes.

Mike Kuegle and the Charest Team will cut taxes now.
