

Have you ever been an **EXPLORER** on an **EXPEDITION BLAZER**ing a trail to nowhere, **JIMMY** 'D down a **PATH** with no **FINDER** only to end up in some **FOURRUNNER** place called **ISUZU**?

WELCOME TO JEEP COUNTRY.

For years now we've been filling the hills of Halton with Jeeps. Like our Minivans, Jeeps were the first of its kind & they're still the best of it's kind.

Speaking of Hills, visit your local Chrysler Jeep Superstore this week & witness how I put my PHD to good use. Yup PHD (**P**iled It **H**igher & **D**eeper) with over 4 million dollars of inventory you'll find us very anxious to **MOVE THE METAL**. We're praying to that great weather God (Percy Saltzman) for no rain but if the Credit River overflows, we're ready.

Remember to tell us you're local because when given the opportunity we'll help you acquire your Chrysler Jeep vehicle for less than anywhere in Ontario. If this doesn't happen please phone me.

Sincerely

P.S. Anyone seen my Lot Man?
