## Globe's The Secret Garden opens tomorrow

By GERRI SCHALJO  
Special

April showers bring May flowers in Globe Productions' latest offering: *The Secret Garden*. Many wild and wonderful characters populate this production. The cast

is divided into two realms: the living and the dead. The living characters include Mary, her Uncle Archie, his brother Neville, the gardener Ben, Mary's maid Martha and Martha's brother Dickon.

Of all the alive characters, only one—Dickon—is aware of the spirits which haunt Misselthwaite Manor. The spirits include Mary's

parents Rose and Albert, her Aunt Lily, and many of the people that Mary knew when she lived in India.

What is interesting about this adaptation is that the authors have chosen to juxtapose the living and the dead, the past and the present. Therefore, the audience will see Mary's history unfolding just as

the present action is taking place.

Come experience this poignant tale of a young girl searching for, and finding happiness with a little help from *The Secret Garden*. Show dates and times are May 1-3 and May 8-10 at 8 p.m. and May 4 and May 10 at 2 p.m. Tickets are available at the John Elliott Theatre box office or by phoning 877-3700.
