April 25	\$50.	Angie Resendes, Brampton
April 29	\$25.	Judi Bonnar, Milton

WATCH FOR MAY WINNERS NEXT MONTH

# Looking after our 'precious cargo'

The tulip garden in front of the Civic Centre is about to burst into color. I hope spring has arrived.

On Saturday, April 26, the Georgetown Community Consultation Committee spent the morning working with Public Health Nurses and the police to check children's car seats for proper installation. Precious cargo needs to be protected! The clinic was a huge success— 86 infant's and children's car seats were checked. Only two had been installed correctly. The parents were most appreciative of the service, and suggested that such a clinic needs to take place at regular intervals. The next clinic will be in Oakville in June.

The Mountainview Road Public Liaison Committee held a meeting

## THE MAYOR'S MESSAGE

**Marilyn Serjeantson**

last Tuesday. Pedestrian crossing signals will be installed during June and July on Mountainview Road at Sargent Road and Pennington Crescent. Additional road markings and further signage will be installed. The committee agreed that the intersection of Mountainview Road and Sinclair

will be immediately monitored to assess the needs of pedestrians, the neighbors, and traffic. Signalization is scheduled for 1998, but if that remedy is the preferred solution, requests will be made to move the project forward.

Speeding and poor driving habits are still a problem. The weather is great and our young people are out and about. Please beware and drive carefully. Kids are our future.

Congratulations are due to everyone who took part in Earth Week— schools, groups, and individuals. The Town's Environmental Advisory Committee, in partnership with council, Glen Williams and Centennial schools, planted 150 trees in a wetland project.
