The last two months of school will be busy ones at GDHS. We do hope parents and the public will join us for some of the special events happening this spring. Many thanks to our community

sponsors and parents for their support.

Today, May 7, 4:15 -6:30 p.m.: The OAC Writers' Craft class has organized a coffee house featuring readings of original student poetry, displays of student artwork and music.

At 7:30 p.m. in Oakville, the Halton Board of Education hosts Student Excellence Evening, honoring one student from each

Halton School. Congratulations to Mitch Dodd, GDHS's recipient.

May 8, lunchtime and evening: Career Day—co-operative education students will staff displays on careers related to their work placements.

May 31: Deep Sea Dreams—students and staff have been working hard for several months preparing for this year's senior

formal. It promises to be a lavish and spectacular event!

June 6: Spring Concert—Don't miss the opportunity to enjoy our award-winning musical ensembles in their last performance of this school year.

May will also see many special curricular and co-curricular activities. Among the activities that students are participating in: Southern

Ontario Model United Nations Assembly, enrichment courses at Queen's University, subject-based contests, and an assembly for students going on to post-secondary education.

Students have shown their community spirit by raising funds for a youth drug & alcohol treatment centre, spearheading a very successful food drive and doing a clean-up for Earth Day.
