

Skateboarding group needs public's support

Dear editor,

Due to the growing popularity of skateboarding in Halton Hills, an association called SIBAAH (Skateboarders, Inline Skaters & BMX Bikers Association of Halton Hills) was formed in January 1997.

Through the hard work and effort of this association with fundraising and membership drives we are working on getting a skate area for the youth of Halton Hills.

Our concern right now, is the enthusiasm is slowing down. The youth are very involved and willing to work hard on this venture, but we need the parents.

We held a meeting on April 10 at the Civic Centre and the turnout was very disappointing. From one of our first meetings held last fall at Holy Cross, we had a list of approximately 100-200 people who

wanted to help get this going.

If the skate park is going to happen we need everyone to get involved.

For further information, please contact Sherry Mitchell at 877-9104 or Harry Gills at 877-8159.

Officer thanked for interest

(This letter was sent to Halton Regional Police Const. Keith Bennett and a copy was made available to The Independent & Free Press for publication.)

Dear Const. Bennett,

We would like to thank you Keith, and all of the other people involved with the program to develop an area for the youth of Georgetown to skateboard and socialize.

Your interest in the program can only benefit all residents of town and hopefully assist our kids to focus on constructive activities instead of "hanging out" and being bored, which, unfortunately, leads to frustration and mischief.

If we at Sammy's Ice Cream can contribute in any way to assist the program, please do not hesitate to notify me at your convenience.

Douglas Turner,
