The Pursuit of Happiness' Moe Berg, Kris Abbott, Dave Gilby and Brad Barker, supplemented with background vocalist Renee Suchy, will return to the live concert stage.

The Wonderful World Of... released in late October, has

already spawned the singles *She's the Devil* and *Carmalina* as well as the most recent track, *The Truth*. The album, released to much critical praise (including being selected as one of *Network Magazine's* top-10 releases in 1996) is thematic in

nature whereby the 13 songs literally flow in and out of one another. It was intended to be listened to from start to finish in one full sitting.

The band's *Where's the Bone* tour lasted for over a year and included many Canadian dates.
