## DENTURISTS

Denturists (or Denture Therapists) have been licensed dental professionals for over 20 years. Although it is considered a fairly new field, currently there are over 400 practicing denturists in Ontario alone.

Denturists know dentures. They study Denturism and General Health for a full 3 years; more than any other oral health care practitioner. They specialize creating full and partial dentures, that not only fit and function well, but look attractive. They also repair, relines and adjust all types of dentures.

We make everything from start to finish in there own lab located right on the premises. This offers patients not only convenience and quality, but also reduces costs as there is no middle man. So not only do you get personalized service, you get it at a reasonable price.

You do not need a referral, simply call our office direct.

## Sound of Music producer misnamed

In a recent photo, Georgetown Globe Production's Sound of Music co-producer Etta Mills was misnamed.

On the March 29 entertainment page, Mills was on the right side of the photo, and presented Viola Gorth (on the left) with a pair of

tickets to The Sound of Music, after her winning ticket was drawn at the final performance of Globe's Cabaret show. The Sound of Music opens April 30 at the John Elliott Theatre.

The Independent & Free Press apologizes for the error.

## The Show Goes on For GLT!

On Monday, March 30, 1998, Georgetown Little Theatre's Studio at 33 Stewarttown Road was tragically destroyed by fire. The entire contents of the building, including thousands of costumes, props, furnishings, sets, and precious memories were lost. Whilst this development has been heartbreaking for GLT members and supporters we unanimously agreed that the show WILL go on both literally and figuratively!! For the immediate future this means that our upcoming production - "Dial 'M' for Murder" by Frederick Knott, directed by Vera Macdonald - will open on schedule at the John Elliot Theatre on Friday, April 17, 1998. The production team will be working extremely hard over the next two weeks to recreate the sets, costumes, props and furnishings required to support the performance. Our audiences can be assured what while the set may not be as lavish as in previous productions, they will experience the same high quality of entertainment that GLT is known for. The play runs April 17, 18, 22-25 at 8 pm and tickets are available at the box office (877-3700 \$10.00 Wed & Thurs. \$12.00 Fri and Sat) Please show your support by attending. Looking ahead, Georgetown Little Theatre will rebuild - we may be down but we are by no means out! Although we are still reeling from the shock of Monday's fire, we are eager to start making plans for the future. We look forward to all the challenges a fresh start will bring us. To this end we have established a GLT Building Fund at Canada Trust: the account number for this fund 00070 (Branch No.) 532944 (Acct. No.). And any donations will be gratefully accepted. Anyone wishing to donate materials such as costuming, props furniture, etc. should call 877-3422 and leave a message. We are very grateful for the tremendous outpouring of concern and support we have received from the Halton Hills community so far and we hope that we can count on your continued support to help us achieve our future goals..

With our sincere thanks,  
Georgetown Little Theatre Productions Inc.
