Terry Champ, a Georgetown musician, has once again composed original music for the Festival Players Brampton to be used for the first time in their forthcoming production of *The Tempest*.

Champ is repeating his success from last year's production of *MacBeth* for the group, where, for the first time ever, a local community theatre group used an original score.

Champ has been involved in music and community theatre for over 25 years and has been musical director for Georgetown Globe Productions, most recently for *Camelot*, 42nd Street, *Anne of Green Gables* and *Brigadoon*. He has also directed musicals for Meadowvale Music Theatre and Guelph Music Theatre, receiving several awards from the Association of Community Theatres.

Computers have been a great passion with Champ for many years and these productions have offered him the opportunity to combine music and computers to create highly successful and original scores—

something quite unique to the area.

A second local man, Scot Lale, no stranger to the Georgetown musical theatre scene, is also taking a strong supporting role as the comic butler Stephano.

The production of *The Tempest* open in Friday, April 17 and The Cyril Clarke Library Lecture Theatre in Brampton, and runs to April 25, including a Sunday matinee. Tickets are \$12 and may be ordered by calling (905) 405-6292.

Tickets are \$12.50 each and are available at the Royal Canadian Legion on Dundas St. E. in Erin. For information, phone (519) 833-2212.

Duo to sing the blues at Sweet Dreams

Blue Grooves, a blues duo, will perform at the Sweet Dreams Cafe in Acton on April 18, starting at 7 p.m.

The duo of George J. Grosman, lead vocalist and guitarist and Ken Clark, bass and vocals, play a combination of acoustic blues and rhythm and blues numbers as well as some of Grosman's original tunes.

The duo was recently booked at Feathers and Bourbon Street Cafe in Toronto and Alison's in Streetsville and is currently in the planning stages for a European tour later this summer.

A Blue Grooves CD is also being worked on and is expected to be released later in the spring.

Sweet Dreams Cafe is located at 35 Mill St., E.
