Here we have a terrific 4 bedroom with a gorgeous kitchen offering upgraded ceramics, upgraded cabinetry (Maple), centre island, huge breakfast room with walkout. The dining room overlooks the rear yard and has coffered ceiling. Enjoy the spacious family room on the upper level complete with gas fireplace and cathedral ceiling...what a perfect retreat. You can truly get away from it all here. The main bathroom has been completed with upgraded wall and floor ceramics as has the large ensuite off the master bedroom. Enter to the foyer from the garage or right downstairs to the unspoiled basement, Elegant 2 pc. powder room and laundry area off the foyer. This particular model has a covered entry porch and is on a great lot "137" feet deep. A lot for a little.
