### Council in brief

## Tannery dust concerns councillor

Acton/Esquesing Regional Councillor Rick Bonnette brought up several issues of concern at the Sept. 14 council meeting.

He questioned the large amount of dust being generated by the demolition of the Beardmore Tannery buildings. The town's building department will investigate.

As well Bonnette said he received a letter from the Gerrie family on the Sixth Line enquiring when the road will be hard surfaced. That request was referred to the engineering department for a report.

Bonnette also gave his appreciation to building department staff for cutting the weeds at the old Texaco and Canadiana properties in Acton.

### Truck route questioned

The town's engineering department will investigate after Georgetown Regional Councillor John Day questioned why trucks were using Durham St. to access the Dominion Garden property.

Day said the trucks should be using Maple Ave. instead.
