Advertorial

Avoid the selling mistakes that could cost you thousands of dollars. Bill McKeown, Associate Broker, at Remax Blue Springs Realty (Halton) Corp. has prepared "Selling Your Home For All It's Worth"

Inside you'll learn how to sell your home for more money by becoming knowledgeable about how to best prepare your home for sale, what fix-ups to make (and not to make) and what buyers typically look for.

You'll discover what questions you should ask a realtor, what you're supposed to do when an offer comes in and what takes place after the offer has been accepted.

This comprehensive Homeseller's Handbook also contains many other tips, techniques and charts which will help you to sell your property for the most money possible!

As a bonus we've included a complete Moving Checklist...with lists of everything you need to do before and after you list and sell your home.

THOUGHT FOR THE WEEK

SAY "HELLO"

I once read that a little smile adds a great deal to your face value. Have you noticed recently how many people smile when they look at you, or say "hello"? It's amazing how different I feel when I see someone who smiles rather than someone who doesn't smile, or worse, continually looks down at the ground. Do you smile a lot at others? How does it make you feel? I'll bet that almost every time you smile, you get one in return. Add some real face value to your looks today - smile at everyone you meet!
