

The ball is up for grabs as four CIBC Chargers surround a Roos Travel player. Remarkably, none of them could come up with the ball. Roos won 7-0 on Sheri Nairn's late touchdown to advance to the Georgetown Ladies Flag Football final today (Sunday) at 10 a.m. at Georgetown South Community Park. Roos will meet Georgetown Toyota, which moved on with a 20-6 victory over defending champions McQueen Maintenance.

Toyota stuns McQueen in flag football semifinal

Georgetown Toyota paid little attention to the fact that McQueen Maintenance had lost only once all season. Toyota scored 20 unanswered points to upset the Georgetown Ladies Flag Football League regular season champs 20-6 in the league semifinals. Roos Travel also advanced to today's (Sunday's) final with a 7-0 win over the CIBC Chargers. Toyota started the game strongly by marching the ball down the field but the drive stalled just short of the goal line on fourth down. McQueen, the league's defending champion, then came back with an impressive drive of their own, capped by Tara Burroughs' 50-yard touchdown run. Toyota responded with Lynn Hunt's 10-yard TD reception and Pat Turner booted the convert to give her team a 7-6 lead. McQueen tried to mount another charge before the end of the half

but Toyota's Kelly Cunningham came up with an interception despite running into teammate Bev Heinz. Cunningham then got the third-quarter rolling with a touchdown that upped the lead to 13-6. Meanwhile, June Peacock came up with an interception to stop McQueen. Toyota then sealed the victory when Patty Rhynold hit Jodi Jacobs in the end zone in the fourth quarter. Toyota will meet Roos Travel in the final after Roos won a defensive battle 7-0 over the CIBC Chargers. Roos, which was second during the season, and CIBC, which was third, were unable to mount any offence in the first three quarters. Then with overtime looming, Sonia St. Jacques found Sheri Nairn alone in the end zone for a touchdown. Nairn then added the convert.

Q: Why did the chicken cross the road?

A: To live longer.

By walking across the road, the chicken gained a healthier heart and lungs... and a positive attitude.

Sharing a Healthier Future™ with PARTICIPATION
